Dear Sir,

You are invited to attend a special showing for the press of a new exhibition YOUNG AMERICAN PRINTMAKERS on Tuesday, June 24, at the Museum, 11 West 53 Street, from 2 to 5 p.m.

On the following day the exhibition will be flown to Salzburg, Germany, where it will be on view from July 27 through August 31 in an International Exhibition of Modern Graphic Art to be held in connection with the Salzburg Festival. In October the exhibition will be shown at the Secession Gallery in Vienna.

Forty-eight prints, by 40 artists under 40 years of age, have been assembled from all parts of the country by William S. Lieberman, Associate Curator in charge of prints. Etching, engraving, woodcut, lithography, serigraphy, as well as many experimental techniques are represented. More than half of the works are in color and many are exceptionally large. Most of the prints were done during the past five years.

Photographs are available on request. For further information please telephone me at CI 5-8900.

Sincerely yours,

*Betty Chamberlain*
