TO City Editors
Art Editors
Feature Writers

Dear Sirs:

On Tuesday, October 31, from 2 to 6 P.M. the Museum of Modern Art will hold a PRESS PREVIEW of the following, which will open to the public November 1:

Exhibition of Creative Growth,
Childhood to Maturity

This exhibition will open the Young People's Gallery of the Museum and will consist of oils, watercolors, drawings, lithographs, etchings, ceramics, wood carving and embroidery produced by Dahlov Zorach Ipcar from the age of three years to her present age of 22.

Evolution of the Skyscraper --

A motion picture produced by the Architecture Department of the Museum of Modern Art as the best means of showing the origin, construction, design and problems of this country's most typical and outstanding contribution to the architecture of the world.

The Museum Library ---

The entire Library comprises more than 6,500 books and pamphlets in many languages and is the largest in this country devoted exclusively to modern art including the art and history of the motion picture.

We hope you will be able to attend the Press Preview or send a representative. For further information please call me at Circle 5-8900.

Sincerely,

Sarah Newmeyer
