USEFUL OBJECTS UNDER TEN DOLLARS

THE MUSEUM OF MODERN ART, 11 WEST 53 STREET, NEW YORK

This exhibition does not represent a complete coverage of all stores, but is a selected sampling of objects picked from a wide variety of representative stores and shops. In the listing of retail sources, we have named the store at which the item is known to be available. This, however, is not necessarily the only source from which the object may be obtained.

ABBREVIATIONS: Des., DESIGNER; Mfg., MANUFACTURER; Ret., RETAILER.

CHEMICAL GLASS

The glass in this group is intended for laboratory work but is suitable also for many domestic uses, some of which are suggested in parentheses. All the pieces shown are manufactured by Corning Glass Works, Corning, N. Y. and are retailed by:
