All works here included have been contributed by members and friends of the Museum of Modern Art to be sold for the benefit of the Museum's Armed Services Program. Funds received from the Art Sale will be devoted to the Museum's Armed Services Program, which has three major purposes:

1. To provide facilities and materials for soldier-artists in Army camps through the U. S. Army's Soldier Art Program;
2. To utilize the talents of American artists for therapeutic work among disabled soldiers and sailors;
3. To provide entertainment for enlisted men in the Army, Navy and Merchant Marine services of the United Nations.

All attributions of works of art are those supplied by the donors. To the best of our knowledge these attributions are correct, but the Museum of Modern Art cannot take responsibility for their authenticity.

Space does not permit simultaneous display of all works of art donated. The exhibits will be changed from time to time during the three weeks of the exhibition and sale. Any object on this checklist may be seen upon request.
