USEFUL OBJECTS, 1946

ANNUAL EXHIBITION, THE MUSEUM OF MODERN ART, 11 WEST 53 ST., NEW YORK, 19.

The objects listed here can be bought in many department and specialty stores; the stores named are those in which the item was first noted while this year's exhibition was being assembled. Asterisks denote objects previously exhibited in MUSEUM OF MODERN ART Useful Objects exhibitions.

Some imports and handmade objects are available in small quantities only, they are included to represent a stock of similar, not identical merchandise.

Due to production delays, small stocks and uncertain deliveries, many items requested for this exhibition could not be shown.
