No. 17

PROFESSOR HARLOW SHAPLEY to SPEAK at MUSEUM of MODERN ART

On Tuesday, March 3 at 8:30 p.m., Professor Harlow Shapley, noted astronomer and former Director of the Harvard Observatory, will discuss man's relation to the universe in an illustrated talk called "Galaxies and Goals" at the Museum of Modern Art, 11 West 53 Street.

This is the second in a series of three evening lectures presented by the Junior Council of the Museum to investigate the interrelationships between theology, science, psychiatry and the arts of our time under the title Dimensions 1959.

The final speaker in the series will be Dr. Theodore Reik, well-known psychiatrist and author of "Listening with the Third Ear". On March 17 he will discuss "Looking and Listening".

Tickets are on sale at the Museum at \$3.50 for each lecture. The price for students and Museum members is \$2.50
