A film by Peter Kubelka

Running time: 13 minutes

"I can think of nowhere else you would find so much film beauty compacted in so small a time space as in the work and living clarity of this man...Peter Kubelka takes a very long time making each film, a lasting experience of the moment of enjoyment...so that each can be seen again and again for increasing fulfillment of the initial experience." -- Stan Brakhage

"UNSERE AFRIKAREISE...is about the richest, most articulate, and the most compressed film I have ever seen. I have seen it four times, and I am going to see it many, many times more, and the more I see it the more I see in it." -- Jones Mekas,
THE VILLAGE VOICE

"I want the whole human spectrum in my film: pathos, comedy, cruelty, sentimentality ...but I do not want to put relative values on them." -- Peter Kubelka

Film-maker Peter Kubelka who was born in Vienna in 1934, has been an independent film-maker since 1952.
