

# Activity Card

**FIND** the Formula 1 Racing Car (641/2), by John Barnard and Ferrari SpA, in the lobby of The Lewis B. and Dorothy Cullman Education and Research Building.

**DRAW!**

**LOOK!** What parts of this race car are similar to other cars? What's different?

**SCIENCE**

This car was designed to go fast:  
it's wide and low.

**DRAW** your own car. What special features will you include in your design?
