Re: UN General Assembly

reception

## THE MUSEUM OF MODERN ART

The Museum staff is cordially invited to attend the reception for the General Assembly of the United Nations which the Trustees are giving here on November 6th. What is more, the reception committee would like you to come and help. Because most of the guests have never been to the Museum before, it is expected that there will be a good bit of confusion as to what is where, etc., and it would be most useful if the staff could act as guides. Mrs. Clark and I will be general coordinators and try to be as ubiquitous as possible. However, we feel that if about five persons could be stationed on each gallery floor to mill around and answer questions and possibly break up any awkward knots or bottlenecks, it would help the free flow of guests.

at 3:30 Wednesday regarding the reception  
There will be a continuous film projection in the auditorium (films on the Museum and selected gems from the Library--list provided later), also refreshments in the lounge. The sixth floor will be open for light refreshments and punch. The penthouse will probably prove one of the difficult bottlenecks so we'd like persons to be kept moving.... after a time.

The reception will be formal with black-tie the general apparel for men. It will begin at 9:00 p.m. with the peak crush, it is expected, between 10:00 and 11:00. We shall close at 12:00. Mrs. Clark will provide identical corsages for the women so that they will be identifiable, and also a flower for the male staff members. Will you let me know by Monday Noon if you can help so that we can know whom we can depend on and assign stations accordingly? This is an important event for the Museum, and we hope a great many of you can come.

It might be a good idea to look over beforehand the list of guests and the countries represented. Mrs. King on the 6th floor will have a complete list on Wednesday afternoon.

Suggested draft of letter to Mr. Whitney

At Mr. Wheeler's suggestion I am submitting for your consideration a proposed film program to be shown in our auditorium during the Reception to the General Assembly of the United Nations on the evening of November 6. I understand that the Reception Committee <sup>suggested</sup> wanted a very impressive short program which can be repeated several times during the evening. I have tried to select high spots from our Film Library collection and I think it is a good idea to preface them with part of "The Movies March On" which describes the work of our Film Library.

We would greatly appreciate any suggestions you may have to make regarding this very important program.

Re: U.N. Assembly visitors

From: Mr. Wheeler

I had a meeting today with Mrs. Bertha S. Lindberg of the United Nations Hospitality Committee regarding the reception at the Museum in honor of the U.N. Delegates. They are planning to have a reception at the Museum which had at first imagined. They have now been informed that the Assembly will consist of 1700 persons.

There are 200 Delegation and Alternates and, if possible, they would like each of these to be invited to dine before the reception either by couples consisting of a member of the Trustees or by members of Mrs. Lindberg's staff. The Trustees have received invitations to the reception.

Mrs. Lindberg has promised to provide us with the list of Delegates and Alternates before the Trustees Meeting on the 10th so that our Trustees may select the names of the guests they would like to invite. From we have made

The United Nations Hospitality Committee has asked that all requests for information on the art Museums and Galleries of New York from members of the United Nations General Assembly which cannot be easily answered at our Front Desk be referred to the Hospitality Committee's Museum section at Regent 7-5300.

I attach herewith a copy of the invitation. Mrs. Lindberg liked very much the form of the invitation we used at the opening of this building, with the names of the Trustees down the side. Do you think the invitation should be engraved? If you have any suggestions regarding the invitation please let me know at once as it takes some time to have them made. The date has been definitely set for October 16th.

Re: United Nations Reception

From: Mr. Wheeler

I had a meeting today with Mrs. Harrie T. Lindeberg of the United Nations Hospitality Committee regarding the reception at the Museum in honor of the Assembly of the United Nations which we have agreed to hold the evening of October 16th. The whole thing is assuming much greater proportions than we had at first imagined. They have now been informed that the Assembly will consist of 1700 persons.

There are 250 Delegates and Alternates and, if possible, they would like each of these to be invited to dine before the reception either by someone connected with the Museum or by members of Mrs. Winthrop Aldrich's Committee. The entire Assembly would receive invitations to the reception.

Mrs. Lindeberg has promised to provide us with the list of Delegates and Alternates before the Trustees Meeting on the 12th so that our Trustees may select the names of the guests they would like to invite. When we have made our choice her Committee will then take their guests from the balance, and perhaps some arrangement will have to be made for an overflow dinner to take care of the Delegates whom neither our Trustees nor their Committee can accommodate.

I attach herewith a draft of the invitation. Mrs. Lindeberg liked very much the form of the invitation we used at the opening of this building, with the names of the Trustees down the side. Do you think the invitation should be engraved? If you have any suggestions regarding the invitation please let me know at once as it takes some time to have them made. The date has been definitely set for October 16th.

Reception for  
U.N. Delegates

To: Mr. Whitney  
 From: Mr. Rockefeller  
 Mr. Wheeler

I had a long telephone conversation today with Mrs. Hugh G. M. Kelleher regarding the reception she wishes the Museum to give for the top U.N. delegates. 750 delegates would be invited.

She has asked us to reserve tentatively the evening of Wednesday, October 16th, for this reception.

Mrs. Kelleher is of the opinion that the reception cannot be too formal to please the delegates. She has in mind such a reception as was held at the opening of our new building when the Trustees themselves received the guests as they entered.

She also mentioned that it is her observation that all the delegates take the greatest conceivable interest in food and she would like us to serve at least punch and interesting sandwiches or tidbits in the Penthouse throughout the evening.

In regard to films, Mrs. Kelleher said she thought it would be a fine idea to have a short program of films running continuously in the Auditorium so that, when the guests became tired walking through the galleries, they could relax comfortably for a half hour. She said she would particularly welcome your suggestions regarding the type of film to be shown.

When the date has been definitely established, she said she would like to have a meeting with us to work out final details.

Re: United Nations

Attached is some correspondence regarding a United Nations evening here on October 15th or 16th.

Nelson Rockefeller feels very strongly that we should do everything we can to accommodate them, even to paying the cost of keeping the building open, if the Committee has no funds of its own.

If we keep the entire Museum open, which I think we should do, we can accommodate as many people as would care to come and, if you like, our Film Library could arrange a suitable film program in our auditorium.

Mr. Nelson Rockefeller has shown me your letter of July 18th regarding a special evening for the General Assembly of the United Nations at the Museum of Modern Art on October 15th or 16th.

Before I gave Mr. Rockefeller the attached I want you to know that the Museum will be very happy to act as host to the Assembly on either of these evenings and I, or our Acting Secretary, Mr. Allen Porter, will be glad to discuss the arrangements with you or Mrs. Lindeberg whenever you care to do so.

For your information, I have been in touch with Wheeler on this through his secretary. He seemed to react favorably and said the Museum was not booked. The two points he raised were: (1) who would cover the expense of keeping the Museum open that night? (2) would they want refreshments and if so would they bring their own caterer?

There is a Stetheimer exhibit opening October first which they thought would interest the U.N., since he is an American artist they probably don't know much about. Wheeler wondered if they would be interested in seeing one of the Museum's films.

Dear Mr. Rockefeller:

In Mrs. Aldrich's absence and as acting Chairman of the Hospitality Committee of the United Nations Committee of the City of New York, I am writing to ask if it would be possible for the Museum of Modern Art to give an evening party for those attending the General Assembly of the United Nations.

I understand the fire laws restrict the Pent House to 109 people and there would, of course, be many more, I am told by Captain de Neve of the Protocol Division, who would be very interested in and appreciative of an affair of this kind. Would it, therefore, be possible to plan it as an opening? It is our thought that either Tuesday, October 15th or Wednesday, October 16th would be excellent evenings.

If the Museum would be willing to consider this, we will send Mrs. Harrie Lindeberg, who is in charge of Museums under Dean Gildersleeve's committee on Cultural Institutions, to discuss the details. In the meantime, would you be kind enough to let me know the possibilities of such an event at this office?

Dear Josephine:

Here are the people we should like you to invite to dinner on November sixth. I find that Mr. Whitney had already spoken for Sir Alexander Cadogan. I think he will be glad to relinquish him to you and I shall let you know about this on Monday.

In the meantime you can send invitations to the other guests, since they are receiving invitations to the Reception I think your dinner invitation had best be marked "Before the Museum of Modern Art's Reception for the General Assembly of the United Nations...etc." The time of the dinner is seven-thirty so that the people will not come too late.

We are very grateful indeed for your gracious assistance.

Faithfully yours,

Mr. Kenna, our Technical Director, has brought this film, along with the slides which you have approved, into the Museum, and we should be pleased to arrange a screening of the entire program for you at your convenience.

Yours very truly,

Arthur D. Sweeney, Jr.,  
Director of the Museum

Mr. John Hay Whitney,  
 Dear 630 Fifth Avenue,  
 New York 19, N. Y.

At Mr. Wheeler's suggestion, I am submitting for your  
 consideration a proposed film program to be shown in our audi-  
 torium during the Reception to the General Assembly of the  
 United Nations on the evening of November 8. Perhaps I should have  
 explained in my earlier letter that the MARCH OF TIME subject,  
 THE MOVIES MARCH ON, contains numerous clips from the early  
 films in our collection - including the MAY IRWIN - JOHN C.  
 RICE KISS (1896), a rather long excerpt from THE GREAT TRAIN  
 ROBBERY (1903), sequences from a William S. Hart film, Doug-  
 las Fairbanks in ROBIN HOOD, a bit from THE COVERED WAGON,  
 THE BIG PARADE, FLESH AND THE DEVIL, etc., winding up with  
 Jolson in THE JAZZ SINGER, Will Rogers in DAVID HARUM, and  
 Paul Muni in ZOLA. The great advantage of using this pre-  
 pared reel is that it has a sound track to cover the silent  
 era, making it quite simple to swing over to the other films  
 on the program which are all sound.

Mr. Kerns, our Technical Director, has brought this  
 film, along with the others which you have approved, into  
 the Museum, and we should be pleased to arrange a screening  
 of the entire program for you at your convenience.

Yours very truly,

Arthur Rosenheimer, Jr.,

Dear Mr. Whitney:

At Mr. Wheeler's suggestion, I am submitting for your consideration a proposed film program to be shown in our auditorium during the Reception to the General Assembly of the United Nations on the evening of November 6. I understand that the Reception Committee desired an impressive short program that could be repeated several times during the evening. I have tried to select high spots from our Film Library collection, preceding them with a specially edited version of the MARCH OF TIME subject, THE MOVIES MARCH ON, describing the work of our Library.

The program, then, would be as follows:

THE MOVIES MARCH ON  
MOVIETONE NEWS - interview in 1927 with G. B. Shaw  
LES TROIS PETITS COCHONS - French version of 3 LITTLE PIGS  
SWING TIME - Fred Astaire's "Bojangles" number  
THE WINDOW CLEANER - a brief, amusing American documentary  
COLOR BOX - a gay, British abstract film by Len Lye

I hope this will meet with your approval, and would greatly appreciate any suggestions you may wish to make regarding this very important program. Running time on these is 45 minutes.

Yours very truly
