Some of these pieces were dedicated to the following names. Some people only received the title of the pieces. Some received the message from others that a piece was dedicated to him. From personal or impersonal reasons, most pieces were never sent to the persons. Most persons were never informed that the piece was dedicated to them.

John Cage
David Tudor
Toshi Ichihyanagi
Nam June Paik
Anthony Cox
La Monte Young
Alfred Wonderlick
Simone Morris
Peggy Guggenheim
Terry Jennings
George Macuinias
Isamu Noguchi
Yuji Takahashi

I am indebted deeply to Anthony Cox and Toshi Ichihyanagi for having constant faith in me; Nam June Paik for encouraging me during my hardest days; George Macuinias for his patience; and, finally, La Monte Young for many quarrels and many understandings.

Dear George:

Most of my pieces are meant to be spread by word of mouth, therefore, do not have scores. This means is very important since the gradual change which occurs in the piece by word spreading is also part of the piece. Paik suggested that I send you a piece he likes which is one of the word spreading pieces. I have thought over quite a bit about it, since he was right to suggest the piece because it is also one of the very few pieces that is easy to perform. But I think I will not change my mind about maintaining the piece as a word-spread piece.....*

*word-spread pieces are not included in this text
