Dear Mr. Mayer:

This will confirm our conversation this afternoon regarding the exhibition of Modern Architecture in England.

The exhibition is leaving New York for Honolulu on an American-Hawaiian Steamship Company boat on July 17th. It will be exhibited at the Honolulu Academy of Arts from August 31st to September 20th and will be returned to the Museum of Modern Art on or about October 19th. The exhibition will then go on tour and will be shown in the United States and Canada.

I am enclosing a check list of the material included in the exhibition. You will please note that the photographs, plans and posters are insured under a Permanent Collection Policy for \$1,000. The film, New Architecture for the London Zoo, was not previously insured. Please have it insured for \$50 under the Floater Policy until further notice.

Very sincerely yours,
