Dear Sirs:

We are organizing an exhibition, "The Art of Assemblage," which will include many varieties of collage and constructions made of various materials. The exhibition will be shown at The Museum of Modern Art, New York, October 2 - November 12, 1961; the Dallas Museum for Contemporary Arts, January 9 - February 11, 1962; and the San Francisco Museum of Art, March 5 - April 15, 1962.

Will you please collect and pack the following which we are borrowing for this exhibition and forward it to us by air in time to arrive on or before September 1:

From: Galerie Willy Verkauf
Riemergasse 14
Vienna 1, Austria

Verlon: No Escape? gouache and photographic pieces $500.

The shipment is to be consigned to our brokers, W. R. Keating & Company, Inc., 90 Broad Street, New York 4, New York for customs clearance and delivery to the Museum. The customs invoice and declaration of originality (required by U. S. Customs for works of art) and the airway bill must be airmailed to W. R. Keating & Company, Inc., with copies to the Museum marked for my attention.

As the shipment will be insured from wall to wall under the Museum's fine arts policy, we need to know in advance the name of the air carrier on which it will be forwarded and the date of departure.

Please make freight charges payable at destination and bill the Museum for your collection, packing, and forwarding charges under purchase order 26707, which will be mailed to you under separate cover.

We shall appreciate receiving your confirmation of this order at your earliest convenience.

Very sincerely yours,

ART OF ASSEMBLAGE

Monsieur Tessier
Transat - Service du Fret
24, rue du Paradis
Paris

Monsieur,

A la suite de nos conversations téléphoniques je vous prie par la présente de vous charger du transport Paris-New York d'une caisse contenant une voiture automobile comprimée, adressée au

Museum of Modern Art
11 West 53rd Street
New York 19, N.Y.

La caisse pèsera moins d'une tonne; les dimensions de la compression sont: hauteur: 1m60, largeur et profondeur 0m60.

Cette compression est l'oeuvre du sculpteur français César (Balducchini), 9, rue du Dr. Blanche, Paris (tél. BAG 64-50)

La voiture comprimée est une Buick de 1955, immatriculée à New Jersey, USA sous le No B.9008 (mais sur certains papiers le No d'immatriculation est donné par erreur comme B.0900). J'ai fait venir cette voiture en France en 1958 sur le SS Flandre, ayant pris à l'époque un billet de transport aller-retour pour $475.- (voir la facture ci-jointe). Pour le retour, la Compagnie Transat me doit la somme de $50.- que je vous prie de porter à mon crédit pour le transport de la caisse susmentionné. Si les frais de ce transport dépassent cette somme, je vous prie d'adresser votre facture pour la différence - ou, le cas échéant, de rembourser la différence - à Madame Alice Rewald à l'adresse ci-dessus.

Je suis citoyen américain, domicilié à New York (où je me rends aujourd'hui): 67 Park Avenue.

due 1st
or Oct 2

En vue de l'urgence avec laquelle cette caisse est attendue par le musée de New York, je vous prie de faire tout votre possible pour qu'elle parte sur le LIBERTE le 23 septembre, car si elle partait sur le LEMOISNE-LIBERVILLE du 22, elle risque de ne pas être dédouanée à temps pour figurer à l'exposition à laquelle elle est destinée. Vous voudrez bien prévenir ma femme quant au bateau sur lequel elle sera embarquée:

CLI 38-87

Je prie vos services d'aller prendre cette caisse à l'adresse suivante, où elle sera prête dès lundi: 54, Avenue Joseph Staline à Gentilly.

Veuillez agréer, Monsieur, l'expression de mes sentiments

Cet objet figurant un chien en bois à deux têtes, recouvert de clous et d'une dent de léopard est un Konde. Utilisé par les Bakongo de l'enclave portugaise de Cabinda (Congo) il sert à châtier les coupables d'une mauvaise action.

C'est un objet de style traditionnel qui a été donné au Musée de l'Homme en 1901 par Monsieur Christmann. (Enregistrement M.H. 01.38.1)

Mme Jacqueline Delange

Assistante, Chargée du Département d'Afrique Noire.

THIS OBJECT, representing a two-headed dog covered with nails and a leopard's tooth, is a KONDE. It was used by the Bakongo in the Portuguese enclave of Cabinda (Congo) and served to chastize those guilty of wrongful acts.

The object is [illegible] traditional style and was given to the Musee de l'Homme by Mr. Christmann in 1901 (Registration M.H. 01.38.1).

R. Lerondelle
76, rue Blanche
Paris 9, France

Dear M. Lerondelle:

I am enclosing a copy of a letter received from Mr. Edouard Morot-Sir regarding exemption from the French tax for our exhibitions, "The Art of Assemblage" and "The Last Works of Henri Matisse: Large Cut Gouaches", together with my reply.

On checking our records for the "Art of Assemblage" exhibition, I find that two of the works in case No. 34 (Dufrene and Villegle) are for sale and that one (Hains) has already been sold to Mr. Robert C. Scull, Great Neck, New York. According to your letter of September 2, these works were not for sale.

We did not authorize the Galories "J" and "Stadler" to include the Hains and the Coetzee "Small Painting with Holes" in our shipment. The Coatzee has been sold to a Mr. Sachs in New York and will not be included in our exhibition. We did authorize the shipment of the Coetzee and Geissler (in cases Nos. 37 and 38), which have been purchased by Mr. Philip Johnson, New York. Will you please let us know if the Galeries have paid the French taxes on all exports which have already been sold.

We note that if any of the works for sale are sold during our exhibition, payment must be made to you or to Galerie Louise Leiris, Galerie Stadler, or Mme. Crotti.

Your shipping list does not include the Dubuffet "Portrait d'Homme", which was to have been collected from Mme. Silvers, 18 rue Royale. We cabled her today requesting that she release it to you for shipment by air freight.

You will note in our letter to Mr. Morot-Sir that we have cabled Mr. Maurice Lefebvre-Foinet asking him to have all customs and forwarding arrangements for our forthcoming Matisse exhibition made by you so that it will not be necessary to pay the French import and export taxes. Please notify me as soon as you hear from him.

With kind regards,

Sincerely,

Dorothy H. Dudley

The Museum of Modern Art (2)

Le retard de quelques jours de l'envoi est involontaire de notre part; il provient de la période de "Congés" du personnel ouvriers qui nous prive d'une partie de ce personnel, principalement pendant les mois de Juillet et d'Août; nous avons eu aussi (comme d'habitude du reste) des difficultés pour le ramassage de certaines oeuvres; nous nous en excusons.

Nous vous permettons de vous recommander le déballage de la Caisse n° 40, en ce qui concerne la Composition-collage de Vail; aussi la caisse N° 33, l'animal venant du Musée de l'Homme -quelques clous ne tiennent pas bien et le dessus, où se trouve la dent de Léopard, est décollé-

Nous nous permettons aussi de vous informer de ne pas enlever les petits "scellés"de douane à certaines pièces qui doivent revenir; nous demandons toujours à la douane de ne pas les placer à des endroits où ils peuvent gêner l'esthétique de l'oeuvre.

Nous n'avons pu obtenir l'exemption de la Taxe de 2°/oo que sur les oeuvres qu'on nous a indiqué comme n'étant pas à vendre, c'est-à-dire en principe pour les pièces contenues dans les Caisses Nos 33, 34 et 35, nous avons été obligés de payer sur les autres pièves.

De toute façons prière de nous adresser les chèques à nous pour toutes les oeuvres qui seront vendues ayant pris des Engagements pour une partie des oeuvres (excepté les 37 oeuvres provenant de la Galerie Louise Leiris, Galerie Stadler et Mme Crotti qui ont signé les engagements de Change elles-mêmes.

Je vous confirme mon câble de ce jour: "ARTS ASSEMBLAGE 8 CAISSES SS LIBERTE 7 SEPTEMBRE PAPIERS SUIVENT"

Espérant que cet envoi vous parviendra en bonnes conditions,

Je vous prie d'agréer, Mademoiselle, nos bien sincères et distinguées,salutations.

R. LERONDELLE

P.S. Nous avons vu la Galerie Louise Leiris pour la pièse de Picasso "The Bicycle Seat"; il nous a été répondu que Mr. Kahnweiller ne possédait pas cette oeuvre.

Nous n'avons pas eu de nouvelles de The Arts Council of Great Britain pour des choses de Ernst.

Dear Mr. Lérondelle:

After we wrote you on June 30 enclosing a list of works to be borrowed for our exhibition "The Art of Assemblage," we were notified by Galerie Rive Droit that the following are now in the United States:

Man Ray: The Theatre
Man Ray: Mr. Fork and Mrs. Knife

We also neglected to write you that ethnographic objects such as the large fetish representing an animal to be collected from the Musée de l'Homme must be at least fifty years old to be allowed entry free of duty. Will you, therefore, please attach to the invoice for this primitive sculpture a declaration from the owner showing its age and where it was produced.

We have just requested the loan of the following work by Picasso:

The Bicycle Seat (bull's head), 1943-44

If this loan is granted, we will notify you. It will probably be collected from Mr. Kahnweiler.

With kind regards,

Sincerely,

Dorothy H. Dudley

Dear Mr. Lérondelle:

We are borrowing several works of art from French collectors for an exhibition, "The Art of Assemblage," which will include many varieties of collage and constructions made of various materials. It will be shown at The Museum of Modern Art, October 2 - November 12, 1961; the Dallas Museum for Contemporary Arts, January 9 - February 11, 1962; and the San Francisco Museum of Art, March 5 - April 15, 1962.

Will you please collect and pack the works on the enclosed list and forward them to us by passenger ship in time to arrive in New York on or about August 28. You will note on the enclosed copy of a letter from Mr. Edouard Morot-Sir that the Association Francaise d'Action Artistique is granting its sponsorship to this exhibition so that it will not be necessary to pay the French export and import tax.

The shipment is to be consigned as usual to W. R. Keating & Company, Inc., 90 Broad Street, New York 4, New York and will be insured by the Museum from wall to wall. Please notify us as soon as possible of the name of the ship on which it will be forwarded and the date of departure.

Please bill the Museum for all charges under our purchase order 26702 which will be mailed to you under separate cover.

With kind regards,

Sincerely,

Dorothy H. Dudley

Frau Hannah Höech, Berlin-Heiligensee, An der Wildbahn 33, has given me the Mechanical Head (Haussmann) to be sent to you. As she says it must be sent by July 28, &time is short please send instructions immediately.

You need only one piece, the Magellanische Kuste, by Hirscher, it will be nedessary to unpack a case now in Düsseldorf and to crate it separately. Please give me further information because Mr. Hirscher has given me neither the value nor has he told me which piece it is. At the same time, please let me know if there are any other works from Berlin or other cities for your exhibition.

Sehr geehrte Herren!

Frau Hannah H o e c h, Berlin-Heiligensee, An der Wildbahn 33, übergibt mir

1 mechanischen Holzkopf

zum Versand an Ihre Adresse. Wie sie sagte, müsste die Sendung bis zum 28.July in New York eintreffen.

Da die Zeit sehr kurz bemessen ist, bitten ich Sie, mir umgehend hierfür Ihre Versandinstruktionen zukommen zu lassen.

Ferner nehme ich Bezug auf Ihr Schreiben v. 26.6. und entnehmen daraus, dass Sie von Mr. Hirscher nur ein Ausstellungsstück "Magellanische kuste" benötigen.

Ich müsste daher die Kiste, die sich z.Zt. in Düsseldorf befindet, wie ich Ihnen bereits mitteilte, auspacken lassen und dieses Werk separat verpacken.

Ich bitte Sie, mir hierzu nähere Angaben zu machen, denn Herr Hirscher hat mir weder den Wert aufgegeben, noch mitgeteilt, um was es sich für ein Stück handelt.

Gleichzeitig wollen Sie mich davon unterrichten, ob noch mehrere Werke von Berlin oder anderen Orten für die Ausstellung vorgesehen sind.

Dear Sirs:

Thank you for your letter of May 18 enclosing one original bill of lading for two paintings by Harnest aboard the "American Traveler." In order to clear these two paintings through American customs, we must ask for two additional documents:

1) a commercial invoice showing the actual market value of the paintings (1,500 DM each)

2) a declaration attached to the invoice showing that the paintings are original works of art by Harnest. This declaration need not be legalized but it must be signed either by the artist or the shipper. If signed by the shipper, it must include a statement explaining why the artist's signature could not be obtained.

Dear Bill Seitz,

I do hope you now are back in the States, impressed by many good experiences and loaden with big trunks fulfilled with lots of collages.

In the meantime you probably will have received a letter from Fred Dahmen (he sent me a copy of it, too). He refered you to the collector Lefebvre, ~~Paris~~ NEW YORK.
Besides, I asked Mr. Paul Seylaz, Director of the Musée des Beaux-Arts, La-Chaux-de-Fonds/Switzerland, to forward to you a small original.

In the next weeks, Mr. Harnest will send you 3 bigger originals on approval.
You know: all this is without any obligation and you can - naturally - send back all these works, as you like.

May I ask you to help me re the exhibition "Visionary Architecture"
Could you kindly ask Mr. Porter McCray to give me a definite answer whether and when we will get the exhibition.
On my trip to the States I met Mr. Rasmussen, and in my letter from November 2, 1960, I requested him for the definite time we can get this exhibition. My proposal: Autumn 1961.
Now I will define that matter: Would it be possible für me to get the duplicate sets in October 1961?
If there would raise difficulties I could have make the large sized photographs here in Baden-Baden, if then Mr.McCray would kindly gives me the negatives - together with a list of the sizes of each one he needs for his exhibition.

I would be very much obliged to you when you could help me in this matter, because I intend to arrange that exhibition together with Louise Nevelson in October 1961 in Baden-Baden, and the time up th this date is not too long.

With kind regard

Sincerely Yours

Bolliger Transport
Piazza di Spagna, 49-50
Rome, Italy

Dear Mr. Bolliger:

Thank you for your letter of May 12. The detailed information about Italian export procedures will be most helpful to us when we borrow works of art for our exhibition or acquire them for our permanent collection.

We wish to employ you as forwarding agent for the following works of art we are borrowing for our exhibition "The Art of Assemblage" from the Galleria Odyssia, via Liguria 36 C-D, Rome:

Colla: Continuity, iron $3,225
Colla: Agreste, iron 3,225
Corsi: Grattcieli, collage (800) ($1613 or $1630 on papers)

Will you please collect, pack and forward them by ship, or, if less expensive, by air, in time to arrive in New York on or about August 28.

As you know, this exhibition is scheduled to be shown at The Museum of Modern Art from October 2 to November 12, 1961; the Dallas Museum of Contemporary Arts from January 9 to February 11, 1962; and the San Francisco Museum of Art from March 5 to April 15, 1962.

Please consign this shipment to our brokers W. R. Keating & Company, Inc., 90 Broad Street, New York 4, New York for customs clearance and delivery to the Museum. The customs invoice, declaration of originality and bill of lading should be airmailed to W. R. Keating & Company, Inc. with copies to the Museum for my attention.

As the shipment will be insured from wall to wall under the Museum's fine arts policy, we need to know in advance the name of the ship or air carrier on which it will be forwarded and the date of departure. Please notify us immediately if you need a certificate of insurance for this shipment.

Please make the ocean or air freight charges payable at destination and bill the Museum for all other charges under our purchase order 26705 which will be mailed to you under separate cover.

We should appreciate your confirming this order at your earliest convenience.

Sincerely,

Dorothy H. Dudley

With reference to the a.m. shipment, we feel confident you are already in possession of our shipment advise and all documents we sent to Messrs.W.R.KEATING CO.Inc. for the handling to yourselves.-

We have to point out that our packer has really had many difficulties in packing said works of art that are very brittle as you can ascertain.

As to the work of Raysse "Nécropole luxe et parfum, miscel= laneous materials" (see the Galleria Schwarz's declaration), we remem= ber you that this work , it came off just into the rooms of the Galleria Schwarz and it was repaired on the place before packing.

The charges mentioned by Galleria Schwarz must be eventually reimbursed directly to same or to the artist.

Meanwhile, always at your disposal, we remain,

UW REF.: DHD/1kh ONZE REF.: jh/exped. **AMSTERDAM,** August 2, 1961

Dear Sirs:

We have to acknowledge receipt of your letter dated July 3 and of your Purchase Order No.26712 of the same date.

We apologise for the late acknowledgement of your instructions but it has been rather difficult to contact Mr.Shinkichi Tajiri on the loan of his sculpture"Samurai".
It was only yesterday that we had a possibility to contact Mr.Tajiri and he informed us that the sculpture has been on loan to an exhibition in Paris from where it has not yet been returned to Amsterdam. We are now dealing with this matter and we have good reason to believe that the sculpture arrives in Amsterdam in the beginning of next week.

We have already collected the collage"Gris métallique" from Mr.Jaap Wagemaker.

When the sculpture from Mr.Tajiri arrives in good time,it may be possible to ship this sculpture and the collage from Mr.Wagemaker on the 16th August per direct steamer from Amsterdam to New York, in which case these goods arrive in New York on August 26.

As soon as we have collected the sculpture from Mr.Tajiri we shall know on which steamer the goods can be shipped to New York and we shall not fail to inform you per airmail in good time.

We note that the loan of the Malevich from the Stedelijk Museum will be available in the beginning of September and will be forwarded separately by air.

Trusting you will note this,we remain dear Sirs,

Sincerely yours,
H. Hackenitz N.V.

Dear Sirs:

We have arranged to borrow from the French artist Camille Bryen his "Objet à Fonctionment" now on loan to Mr. Pontus Hulten, Moderna Museet, Stockholm 100. Mr. Bryen wrote us on May 18 that he had authorized Mr. Hulten to release it from his exhibition for shipment to us.

Will you please arrange to forward it to us by S. A. S. in time to arrive in New York on or before September 1. If it is not boxed by the museum in Stockholm, will you please see that it is very carefully packed in a strong, solid wooden box lined with waterproof paper.

This work of art will be shown in our exhibition "The Art of Assemblage" at the Museum of Modern Art, New York, October 2 - November 12, 1961; the Dallas Museum for Contemporary Arts, January 9 - February 11, 1962; and the San Francisco Museum of Art, March 5 - April 15, 1962. Unless other arrangements are made, it will be returned to the artist in Paris at the close of the San Francisco exhibition.

The shipment is to be consigned to our brokers, W. R. Keating & Company, Inc., 90 Broad Street, New York 4, New York for customs clearance and delivery to the Museum. A customs invoice showing the valuation of $400. and a declaration of originality signed by you (explaining that the artist cannot sign as he is in Paris) and the airway bill must be airmailed to W. R. Keating & Company, Inc. with copies to the Museum marked for my attention.

As the shipment will be insured from wall to wall under the Museum's fine arts policy, we need to know in advance the name of the air carrier on which it will be forwarded and the date of departure.

Please make freight charges payable at destination and bill the Museum for your collection, packing and forwarding charges under purchase order 26709, which will be mailed to you under separate cover.

We shall appreciate receiving your confirmation of this order at your earliest convenience.

Very sincerely yours,

Dorothy H. Dudley

Dear Sirs:

We are organizing an exhibition, "The Art of Assemblage," which will include many varieties of collage and constructions made of various materials. The exhibition will be shown at The Museum of Modern Art, New York, October 2 - November 12, 1961; the Dallas Museum for Contemporary Arts, January 9 - February 11, 1962; and the San Francisco Museum of Art, March 5 - April 15, 1962.

If the loan is granted, will you please collect and pack the following sculpture which we have requested for this exhibition and forward it by air in time to arrive on or before August 28:

From: Museum fur Volkerkunde und Schweizzerisches, Basle

Wood idol from New Hebrides

Please obtain the value from the lender for the customs invoice and attach to the invoice a declaration from the owner showing the age of the sculpture and where it was produced. This is required by U. S. Customs for ethnographic objects which must be at least fifty years old to be allowed entry free of duty.

The shipment is to be consigned to our brokers, W. R. Keating & Company, Inc., 90 Broad Street, New York 4, New York for customs clearance and delivery to the Museum. The customs invoice and declaration of the owner showing age and where produced and the airway bill should be airmailed to W. R. Keating & Company, Inc. with copies to the Museum marked for my attention.

As the shipment will be insured from wall to wall under the Museum's fine arts policy, we need to know in advance the name of the air carrier on which it will be forwarded and the date of departure.

Please make airfreight charges payable at destination and bill the Museum for your collection, packing and forwarding charges under purchase order 26710, which follows under separate cover.

We shall appreciate receiving your confirmation of this order at your earliest convenience.

Very sincerely yours,
