Larissa,

Here is the list of the studio and pop artists from the MoMA slides. It might be a good idea to check against yet another person's notes, as there were some discrepancies between our two lists (perhaps Josette or Natalia?).

STUDIO VISIT ASSIGNMENTS from the p.s.1 submissions list

A few notes:

All of the appointments that you make are open to all the other curators. This is why giving Larissa all contact info for the visit is so important: that way, any of the curators can call her and ask for a rundown of the week's visits, which they can then choose to attend or not.

Remember--the participants in the show are not limited to this list! Please go out and make as many studio visits as you like—just make sure to provide Larissa with the date, time and address and phone # of the visit so—again--the other curators can turn up if they want to. Passionate pleas fall under this idea as well.

We should have a "studio visit form" ready by next week. This form is basically to remind you, when you are on a visit, to obtain information such as approximate size, material, and difficulty of installation of the artwork or works you are going to propose. This will help in planning both the layout of the artworks and the physical installation. We would also recommend taking a Polaroid camera to the studio visits.
