Dear Matthew Marks,

I am writing to you regarding an upcoming exhibition due to open here at PS1 on May 21, 2000. This exhibition will run through the summer.

This exhibition focuses on artistic practice in the 1980s and will examine, in particular, international developments in the years 1984/85. It is highly selective and will include the works of a limited number of artists so as to offer the audience a glimpse on emblematic works and research of the period.

I would be very interested in meeting with you to talk about works by the artists represented by your gallery that are crucial to this period.

Please expect a call from my assistant.

Best regards,
