Lieber Curt, Sp. ist über den Jnhalt Deines Briefes v. 6.Septbr. etwas traurig, besonders schmerzlich empfindet er, dass die schönsten Blätter im Angebot nicht enthalten sind. Trotzdem hat er sich entschlossen, Dein Angebot anzunehmen und er schreibt am Schluss seines Briefes: "das Geschäft gilt hiermit als abgeschlossen." - Was soll mit dem Oelbild von Nolde geschehen ? Bitte lass mir die Blätter, die in Deinem Brief v. 6.Septbr. aufgeführt sind, baldigst zukommen.-

Thank you very much for your letter of October fifth. You have probably received the missing prints in the meantime. They were all mailed on the same day.

I wouldn't mind selling the Nolde painting in Germany. How much could I ask for it?

If Ewald gets impatient, please pay him the money. I am just waiting for an answer from Grotte in Munich who will probably sell one of my pictures.

Poor Paul Strecker; I was awfully shocked when I received the notice.

I just received the catalog of the Stuttgart auction; quite a few things which would be interesting. Are you going?

Enclosed is a copy of a letter which I received from Reber and which might amuse you.

I have had no news from Christoph in a long time, but I hope to see both of you soon. I am leaving for Europe early in June and will probably be in Germany sometime in July.

Lieber Curt, ich danke Dir vielmals für die schönen Jnnenaufnahmen Deiner Galerie,über die mir kürzlich auch Fritz Gaede,der Dich besuchte,und Charlottchen Weidler,die wiederkommt,Schilderungen gaben. - Vor einigen Tagen besuchte mich ziemlich ausgibig in Galerie und zu Hause,wo ich einige Tage mit Grippe war, Mrs. Hildegarde Pryteck (?) Sidney Tanis Gallery 15 East 51 th str .- Sie erzählte viel Amusantes und wollte von mir Leihgaben haben oder Rousseau und Braque etc. kaufen. Jch habe aber nur immer abgelehnt. Sie hatte erzählt,dass sie mit Nierendorf zusammen war.- Du kennst die Dame sicher . Dass Paul Strecker plötzlich an einer Ohrensache starb,wirst Du gehört haben.

Jch hoffe,Christoph in einigen Wochen am Bodensee zu sehen. Die Geschäfte sind,wie solltes anders sein, sehr mies hier;die Auktionen machen den Umsatz,wir machen die Rek= lame. Aber ich will nicht klagen. Leb wohl.

Herzlichst

Dear Alex:

Thank you very much for your letter of April third. I detest Mrs. P.; she used to be Nierendorf's secretary and now works at the Janis Gallery. I certainly will kill you in case you sell something to her instead of to me. By the way, you know that whenever you do want to sell any of your paintings I am always interested.

Dear Alex:

Enclosed is a list of my bids for the auction at the Stuttgarter Kunstkabinett. The prices are the top prices in mark and include the "Aufgeld" of 15 per cent.

As for the two heads by Lehmbruck, Nos. 1607 and 1608, I leave it to you to check on the quality of the casts because I do not want to buy them if the casts are not first class. For instance if No. 1607 "Head of a Woman" is the same cast I have seen in Cologne, I do not want it.

I am a little late in sending this list, and therefore sending a copy to Stuttgart where the list will reach you in case it arrives too late in Dusseldorf.

Whatever you might buy, you should leave with Ketterer, and I shall let him know sometime where to send them.

Sincerely yours,

Lieber Curt, es war mir eine grosse Freude, Deine Stimme zu hören und ich lebe von der Hoffnung, Dich bald zu sehen und mit Dir zu kadettieren.- Wie ich Dir schon am Telephon sagte, habe ich die Renoir-Bronze, Kopf Coco da 29 cm. 4/12 ~~ep~~ und die Liegende von Matisse 35 zu 49 cm. 7/1o, die Du vergangenes Jahr bei M. in Köln sahst (ich habe sie von ihm übernommen; er ist nach miss=glücktem Selbstmordversuch in der Klinik - ziemliche Katastrophe). Jede Bronze M.5ooo,- Dann möchte eine Dame den NURMI von Renée Sintenis ver=kaufen, kostet M.135o,- Hast Du dafür Verwendung ? - Der Lehmbruckkopf, von dem ich Dir am Telephon sprach, ist nicht gut genug, hab ihn nochmal angesehen. Käme evtl. ein Hagener Torso in Frage, nicht billig.- Und noch eines : eine Terracotta-Vase von Paul Gauguin, mit Relieffiguren drauf, etwa 25 - 28 cm. hoch (man sagt es gäbe von den 14 Terracotten nur immer ein einziges Exemplar) M. ????/ Was soll man da sagen. Und Oelbilder von Kokoschka sind angeboten, Toulouse-Lautrec-Lithographien, Feininger-Holz=schnitte. W a s i n t e r e s s i e r t ausser mir ?

Grüsse den Heini und den Christoph und sei Du umarmt

Aus einer sehr bekannten Sammlung wird eventuell das bildmässige Gauguin - Aquarell " Liegendes Mädchen mit aufgestütztem Arm" ("Ich liebe Dich") frei. Es befindet sich zur Zeit in San Franzisco und ich hoffe, Dir bald ein handfestes Angebot machen zu können.

Lehmbruck

Liebster Curt, der Jnhalt Deines allerwertesten Briefes v. 11.ds. ist mir völlig unerfindlich. Troja sagt mir,dass Du mit 2500 fest gekauft habest und dabei gesagt,dass man die Bronze nach Möglich= keit mit dem Leyendeckerschen ~~Maillol~~ aus Köln schicken soll;dies ging nicht,da Rusche bereits eine Kiste hatte etc. - Nun ist der greise Renoir allein gereist und wird wohl bald mit 100 Dollar präsentiert werden. So gib bitte Frau Prytek und dat andere bei Gegenwert. - Übrigens sagt mir Troja weiter,dass am Tag danach Dr.Siegfried Thalheimer dagewesen sei und hier sich Haare gerauft, dass die Bronze,die er unbedingt haben will,verkauft sei. Trete sie ihm ab !

Vor wenigen Tagen waren Alf und Anne bei mir;wir haben -wie das dazu gehört- nicht gedurstet und viel von unserem Curtchen gesprochen. Am nächsten Tag kam dann Theodore Allen Heinrich,der nicht minder reizend von Dir sprach. Wir mögen Dich alle gern und sind stolz auf Dich ! - Jetzt fahre ich mit Martha für ein paar Tage an die Mosel und dann flieg ich nach Berlin. Heini schrieb mir,dass andere Leute Graphik verkaufen und ich wenig. Jch kanns wirklich nicht ändern.Du solltest mal ein paar Monate hier bleiben und mich anlernen.

Tausend herzlichste Grüsse

I find in my files a reproduction of a painting by Paul Klee "Purpuraster", 1919, 33.5 by 28.5 cm. I also find a notation of 6000 DM as a price. The picture interests me, and I would like to know the best price you can make me.

Dear Alex:

I have great difficulties with the bronze by Maillol. The export value doesn't have anything to do with the consular invoice, which I need and which should show the value at $400. I also need the Certificate of Originality showing that the bronze is an "original".

Thanks for your letter of October twenty-first. May I have a good photograph of the "Purpuraster" by Klee.

Would you ever sell the small Blue Picasso you have, "Head of Harlequin"?

Do you know of any paintings by Gris, Braque, early Leger, early Picasso?--let me know.

Lieber Curt !

Die " Purpuraster " von K l e e hängt bei mir zuhause an der Wand. Ich habe sie gerade neu rahmen lassen. Ich würde Dir das Bild für DM. 6000.- überlassen.

Soeben komme ich aus Stuttgart zurück, wo ich auch Herrn Picard aus Paris traf, der von Dir sprach. Den Vogel schoss Perls ab, indem er für das " Kranke Mädchen", Katalog - Nr. 2367 DM. 5350.- bezahlte u. 15 % Aufgeld.

Wie ist es eigentlich mit dem Renoir- Kopf von M a i l l o l . Damals wollte ihn Dr. Thalheimer haben, aber Trojanski sagte ihm, er sei bereits verkauft. Vielleicht schickst Du mir ein paar Klee - Aquarelle dafür.

Mit herzlichem Gruss

Lieber Curt, ich danke Dir für Deinen Brief v.26.1o. Heute habe ich die Konsulatspapiere unterschrieben;die Spedition will das Weitere wegen des Maillol-Kopfes erledigen. Wenn ich da gewesen wäre,wäre der Wirrwarr nicht entstanden.

Eine Photo der Purpuraster von Klee habe ich Dir heute geschickt und die Photo eines Bildes von George Braque habe ich beigefügt,das ich,zum Preise von DM.12.ooo-versichert, z.Z. in der belgischen Ausstellung La peinture sous le signe d'Apol= linaire als Leihgabe habe.Es ist :Maison et arbre 19o9 , un des tout premiers paysages "cubistes" de l'epoque de l'Estaque Huile sur toile 65 zu 54 cm.

Den Katalog schicke ich Dir. Jch komme soeben aus Belgien,war auch in Brüssel. Dort ist das Bild nicht als verkäuflich ausgestellt,die an= deren Leihgaben auch nicht. Hättest Du Jnteresse für diesen Braque ?

Den blauen Picasso-Kopf möchte ich behalten. Übrigens ist die Nachfrage nach den Bildern,die Du suchst, allgemein.

Lass bald von Dir hören.

Die Maillol - Angelegenheit wird immer verzwickter. Meine Speditionsfirma Jonen hat jetzt die ganzen Konsulatsfakturen zurückbekommen mit dem Bemerken, dass der Wert der Bronze Dollar 500 .- und nicht Dollar 100.- sei. Bitte gäebe mir umgehend Nachricht, ob Du die Plastik zurückschicken willst oder ob ich eine Faktur über Dollar 500 .- einreichen muss. Die ganze Angelegenheit hat mir bisher nur Spesen und Ärger gebracht, abgesehen davon, dass ich den Betrag längst habe vorlegen müssen, weil der Besitzer die Bronze zurückhaben wollte. Hier ist die Chance, die Plastik höher zu verkaufen, zumal Maillol jetzt in der grossen Ausstellung in München ganz hoch gefordert wird. Bitte gib mir umgehend Nachricht, was ich machen soll. Das liebste wäre mir, ich bekäme die Figur zurück.

Herzlichen Dank für Deinen Brief vom 15.Dezember. Jonen sagte mir, dass die Konsulatsfaktur zurückgekommen ist, ich weiss nicht, was er falsch gemacht hat und werde mich morgen gleich noch einmal mit ihm in Verbindung setzen, bisher hat immer alles bei ihm gut geklappt. Sollten die Schwierigkeiten entstanden sein, dadurch, dass die Bronze erst niedriger deklariert war und wie ist das zu ändern?

Von den
für die Bronze habe ich bisher erhalten: DM. 419.- DM. 25oo.-
durch Ueberweisung
Du zahltest an Janis: 136.- 555.-
sodass noch ein Rest verbleibt von DM. 1945.- .

Die Matisse - Bronze wird durch die Spedition Kühne und Nagel, Düsseldorf- Hafen, Kaistrasse 11-13 hier abgeholt, sie ist von Deinem Spediteur beauftragt. Ich nehme an, dass er die Firma unterrichtet hat, wie es richtig gemacht wird. Ich hoffe, dass die Papiere morgen fertig sind, soweit sie von unserer Bank bearbeitet werden müssen. Bist Du Dir darüber klar, dass es der 7te Guss von lo Exemplaren ist,und dass das auf der Plastik vermerkt ist ? Soviel ich hörte, ist der Zoll besonders hoch dafür. Zu der Konsulatsfaktur muss ein weiteres Formular auf dem vermerkt ist, ob es sich um das Originalstück handelt oder die erste oder zweite"Replica", das kann der Spediteur ja nicht bejahen. Ich nehme an, dass Dein Spediteur ihn informiert hat, wie das Papier ausgefüllt werden muss.

Ich würde mich sehr freuen, Dich zu sehen, vielleicht rufst Du von London aus an.

Mit herzlichem Gruss Dein Alex

Als Du kaum weg warst, hat Herr Seel bereits 19o Dollar von mir angefordert. Ich habe ihm darauf mitgeteilt, dass die Bronze erst exportiert werden muss mit Konsulatsfaktur, Ausfuhrgenehmigung, Exportpapieren (was mit Geduld und Spesen verbunden ist). Darauf schreibt er mir heute einen ziemlich komischen Brief: der Export ginge ihn garnichts an, er hätte die Plastik verkauft, Schluss. Er stelle mir anheim, die Bronze überhaupt nicht zu exportieren, da er die Plastik jederzeit zu einem besseren Preis los würde! Ein eigenartiger Mann.

Hoffentlich bist Du gut angekommen. Ich habe inzwischen Deinen Kollegen O. Gerson kennengelernt, den ich sehr nett finde. Er hat reizend von Dir gesprochen. Ich hoffe, bald von Dir zu hören.

Dear Alex:

I just talked to Mrs. Feininger about the watercolor No. 33 of the catalog, "See" 1948. She made a big Geschrei about the watercolor belonging to her, and she didn't want to sell it. However, we finally decided on a sales price of $300 with a 20 per cent discount for you.

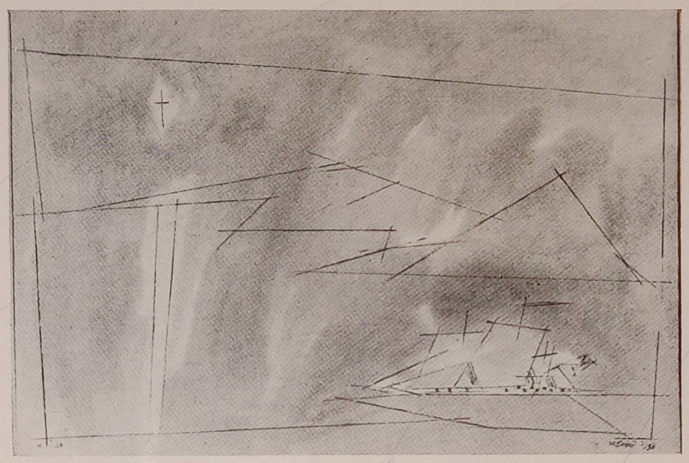

This is about 1000 DM, if you decide to buy it. I shall tell you in a few days to whom to send the money.

Sincerely yours,

Lieber Curt !

Ich danke Dir für Deinen Brief vom 24. Januar. Inzwischen sind die 19o Dollar für den Marcks und DM.45oo,-für Matisse gekommen, besten Dank.

Das Geschäft mit dem Cézanne- Aquarell, weshalb ich seinerzeit in Verhandlungen stand, hat sich zerschlagen, vielleicht Gott sei Dank, denn so loo %ig war ich nicht davon überzeugt.

Die Feininger-Ausstellung ist in den letzten Wochen noch sehr stark besucht worden. Wären die Preise einigermassen den unsrigen angepasst, so hätte ich vieles verkaufen können; so ist es leider zu keinem Abschluss gekommen bis auf einige Hundert Kataloge.

Ich sende Dir ein Exemplar des Rheinischen Merkur, in dem ein Aquarell abgebildet ist mit einem Hinweis auf Deine Galerie.

Lieber Curt !

Soeben kommt Dein Brief vom 6. Februar. Leider kann ich mir den Feininger bei diesem Preis nicht leisten. Ich habe die 4o Blätter an Alf nach Hannover zurückgeschickt. - Den Picasso möchte ich nicht verkaufen. - Die Sachen, die vom Hotel am Zoo in Berlin erwartet werden, will ich gerne für Dich aufheben. - Inzwischen habe ich dem Seel das Geld geschickt, nachdem er mir alberne Briefe geschrieben hat. Die Konsulats- Ausfuhr- und Speditionsspesen hat er nicht anerkannt; ich habe sie vorgelegt. Ich bekomme von Dir im ganzen noch DM. 155.-, dann sind wir quitt.

Lieber Curt !

Ich danke Dir sehr für Deinen Brief vom 8. Februar. Herr Moesberg war nur auf der Durchreise hier und da ich gerade an Dich schrieb, bestellte er mir Grüsse als er Deinen Namen hörte. Er hat sich lediglich die Ausstellung angesehen.

Die Matisse - Bronze, welche Frau v. Friedrichs und Herrn Springer zusammen gehörte, ist von Springer angeboten worden. Sie trägt die Nummer 2.
Der Kunsthandel in Berlin ist nicht mehr so wie er war, sie haben alle sehr schwer zu kämpfen. Es ist dabei zu bedenken, dass in Berlin selbst so gut wie garnichts verkauft wird, weil die Leute andere Sorgen haben.

Gestern Abend ist Alf wieder weggefahren nachdem wir die Maillol und die Kirchner - Ausstellung eröffnet haben, wo er bei der letzteren eine bezaubernde Rede hielt.

Er ist ein
frommer Schatz (Dein Alf
Dir auch),

Thank you very much for your letter of February twenty-second. The prices for the Maillol bronzes are much too high; it is about what we are asking here for them--sometimes even less. For the "Leda" I would not pay more than $400; this is the only bronze which interests me.

The "Singing Man" by Barlach is for sale here for about the same price you are asking.

The Lehmbruck "Head" interests me if it is really and truly an old cast. Do you know anything about its history? I could pay around 2000 DM.

Can't you find any Gris paintings for me? Doesn't the Lange family sell anything? This is the time to buy and sell them as long as the prices are as high as they are.

Sincerely yours,

Lieber Curt, ich danke Dir für Deinen lieben Brief v. 24.ds.

Die meisten Maillols sind von Dina Vierny,die uns hier einige Zeit beglückte.Die Preise sind ziemlich hoch. Es hat wohl keinen Sinn für Dich. Anders ist es mit d r e i Bronzen aus deutschem Privatbesitz :

Sitzende 19o5,rechter Arm über die Stirn gelegt (Rewald ,Maillol Editions Braun Nr.31) 25oo,-M

Abwehrende(Leda) 19o2 """""""""""""""""""""""""""""" 24) 35oo,-M

und Mädchen mit Krabbe 3ooo,-M

Das sind die Preise , die zunächst gefordert werden.Jch kann mir denken,dass man bei ernsthaftem festen Gebot besser zurecht kommen wird und das sollte man versuchen,aber einzeln.

Hätte der Singende Mann von Barlach,für den 4ooo-M oder die Grosse Buchlesergruppe,für die 65oo,-M. verlangt werden,Jnteresse ? Was würdest Du für den Lehmbruck zahlen, dessen Photo ich beifüge und für den M.25oo,- verlangt werden.

Alf war gestern wieder hier und hat von seinem verspäteten Karnevalsfest erzählt. Jch wollte,Du wärst auch öfter hier und wir hauten mal wieder gemeinsam auf die Pauke.

Herzlichst

Dein Max

Mein lieber Curt, ich danke Dir für Deinen lieben Brief v. 5.ds. Jnzwischen ist mir ein schönes Exemplar von Maillols Krabbenmädchen angeboten worden. Jch habe es zunächst als Leihgabe in der Ausstellung und werde es auf jeden Fall an Land ziehen.

Ob Du die Leda mit $ 4oo bekommst, kann ich heute noch nicht sagen.

Vielleicht komme ich mit 2ooo,-M. bei dem Lehmbruckkopf zurecht. Der ist nun wirklich bei Arnold in Dresden 1919 aus der Gedächtnisschau heraus gekauft ~~worden~~ und seitdem wohlbehütet worden. Möller war hinter diesem Exemplar her, aber es steht bei mir. Reidemeister sah es vor einigen Tagen und war ~~hell~~ begeistert; er hat einen Anderen. Wenn es klappen sollte, soll man schicken oder schleifst Dus mit, wenn Du kommst ?

Das Rennen um Gris-Bilder stimmt mich immer traurig, wenn ich an meine eingebüssten Gris denke. Langes denken nicht daran, etwas zu verkaufen. Andere ~~weiss~~ weiss ich tatsächlich nicht.

Dies für heute mit herzlichstem Gruss

Dein Alex

Lieber Curt, -

soeben bekomme ich Deinen Brief vom 3. Mai, dessen Inhalt ich direkt dem Korrespondenten Deines Spediteurs durch Einschreibe- Brief aufgegeben habe. Wir arbeiten sonst mit der Firma Jonen und haben noch nie eine Reklamation gehabt. Wenn die Stücke alle vorhanden sind, wüsste ich hier einen ausgezeichneten Restaurator, aber den wird es dort auch geben.

Dear Alex:

Thank you very much for your letter of May sixth and your postal card of May seventh. I am writing to Alf today, and he will send you the Picasso lithographs.

I would still like to buy the Klee, but I would like to see it again.

I have a restorer for the Lehmbruck here too, but the piece is so badly damaged, it will never be intact again.

Sincerely yours,

Betr.: 1 Plastik von Lehmbruck 25 kg. an Fa. W.R. Keating & Comp., New York

---

Wir kommen zurück auf unser Schreiben vom 9.5.51 und haben inzwischen über unser Bremer Haus bei der Reederei bezüglich der obigen Sendung Rückfrage gehalten. Unser Bremer Haus schreibt uns nunmehr wie folgt:

"Wir kommen zurück auf Ihr Schreiben vom 9.5.51 betr. 1 Kiste Terrakotta-Plastik an oben genannte Firma. Wir haben uns dieserhalb mit dem hiesigen Reedereivertreter in Verbindung gesetzt und erhielten die Mitteilung, daß die Verpackung der Kiste in Ordnung war und daß auch nicht bei Auslieferung ein Mangel an der Verpackung kenntlich gewesen ist. Der Makler gab uns außerdem anliegendes Schreiben, woraus hervorgeht, daß uns keine Schuld trifft. Die Kiste ist sogar im Locker, d.h. Extra-Verschlußraum, verstaut worden, und wir können wohl aus Erfahrung sagen, daß sämtliche Güter, die in diesem Raum eines Schiffes aufbewahrt werden, mit besonderer Sorgfalt von seiten des Schiffes behandelt werden. Wir haben also von uns aus wirklich alles Nötige veranlaßt, um eine ordnungsgemäße Ausführung dieses Auftrages zu gewährleisten."

Das vorerwähnte Schreiben der Fa. Klingenberg & Co fügen wir zu Ihrer gefl. Kenntnisnahme bei.

Nach Lage der Dinge können wir nur annehmen, daß die Beschädigung durch einen Unfall verursacht wurde. Selbst bei sorgfältigster Verpackung kann eine Beschädigung des empfindlichen Inhalts nicht verhindert werden, wenn die Kiste geworfen wird oder einen starken Stoß erhält. Wir sind jedoch der Ansicht, daß die Versicherungsgesellschaft auf jeden Fall für den Schaden aufkommen muß.

Dear Alex:

In the catalog of the Battersea Park exhibition in London, I find listed and illustrated a cast of the "Kneeling Woman" by Lehmbruck lent by Anita Lehmbruck.

Would you be able to find out whether this cast is for sale and for how much.

Mein lieber Curt,

ich hatte Dich täglich erwartet und darum nicht geschrieben - also hoffe ich weiter.- Anbei der Brief von Lehmbrucks, durch den mitgeteilt wird,dass sie einem Gebot nicht näher= treten,sondern den geforderten Preis vom Museum of Modern art haben wollen. - Da Frau Moll verreist,hole ich morgen den L é g e r hierhin. Jch möchte mit Dir eine Collection anschauen,die noch keiner gesehen hat. Hier liegt ein Päckchen für Dich vom Hotel am Zoo,in dem Etwas gluckst.- Jch habe hier das zweite Exemplar der Läufer von Gerhard Marcks,das erste ist im Mus.of modern art (1923) . Übrigens fährt Marcks heute für eine Woche nach Hamburg.-

Grüsse bitte Heini;hast Du mit ihm meine Angelegenheit besprochen ? Vielen Dank.- Übrigens kann der Spedi= teur nichts für den Lehmbruck-Unfall,wie er beweisen kann.Es ist umso trauriger als sowohl Henke als auch das Duisburger Museum die Plastik jetzt von mir kaufen möchten und hohe Angebote machten....

Jch habe die Picasso-Blätter ausgestell -höre aber,dass Hertz,Verleger sie viel billiger anbietet.- Kannst Du nicht Mr. Soalhat veranlassen,das Plakat in der Halle auszuhängen !!

Dear Alex:

The Sidney Janis Gallery is preparing a very important exhibition of the work of Henri Rousseau which will be held for the Cerebral Palsey Society, which is a very good cause. I promised to ask you whether you would be willing to lend your "Le Centenaire de l'Independance".

I know this is quite a thing to ask you, but it would be sensational to show the picture here and be sure your kindness would be greatly appreciated. Of course your name would appear as the lender in the catalog, which is good publicity because the exhibition will be seen by practically everyone interested in art.

Liebes Carl,

Besten Dank für's Geld für Marg Moll. Das Andere kann noch warten.

Picasso's Harlekin-Kopf ist nicht zu haben.

Die Mondrians sind bald nach dem Angebot weggegangen.

Das Geschäft ist nicht einfach.

Ich mache jetzt eine Barlach-Ausstellung.

Dear Alex:

Could you help me in the following matter:

The Museum of Modern Art is having a large International sculpture show in the Spring of 1952. They would like to show the sculpture by Lehmbruck "Sitzender Jungling", 1916/18, illustrated in LEHMBRUCK by Paul Westheim on plate No. 53.

As far as I remember, the museum in Duisburg had one bronze cast. Who is the director now? Would you find out whether there is a possibility of borrowing the piece, in which case I shall ask The Museum of Modern Art to contact the museum directly. Many thanks.

Sincerely yours,

Sec. 402 of the Tariff Act of 1930 (19 USC 1401a) defines foreign value, export value, and cost of production. Sec. 592 of the Tariff Act of 1930 (19 USC 1592) provides that if any person, by fraud, gross negligence, or negligence, enters merchandise into the commerce of the United States by means of any false or fraudulent invoice, declaration, affidavit, letter, paper, or by means of any false statement, written or verbal, or by means of any false or fraudulent practice or omission, he shall be liable to a penalty not exceeding the value of the merchandise or, in the case of gross negligence, not exceeding four times the value of the merchandise or, in the case of negligence, not exceeding two times the value of the merchandise.

CONTINUED FROM OVERPAGE)

U. S. LINES CO. B/L No. .....

28. If the ship comes into collision with another vessel as a result of the negligence of the other vessel and any act, neglect or default of the master, mariner, pilot or of the servants of the carrier in the navigation or in the management of the ship, the owners of the goods carried hereunder will indemnify the carrier against all loss or liability to the other or non-carrying vessel or her owners in so far as such loss or liability represents loss of, or damage to, or any claim whatsoever, of the owners of said goods, paid or payable by the other or non-carrying vessel or her owners to the owners of said goods and set-off, recouped or recovered by the other or non-carrying vessel or her owners as part of their claim against the carrying ship or carrier. The foregoing provisions shall also apply where the owners, operators or those in charge of any vessel or vessels or objects other than, or in addition to, the colliding vessels or objects are at fault in respect of a collision, contact, stranding or other accidents.

21. General Average shall be adjusted, stated and settled according to York-Antwerp Rules 1950 at the Port of New York or last port of discharge, at Carrier's option, and as to matters not provided for in these Rules, according to the laws and usages at the Port of New York. Average agreement and bond, together with such additional security as may be required by the Carrier, shall be furnished before delivery of the goods.

In the event of accident, danger, damage, or disaster, before or after commencement of the voyage resulting from any cause whatsoever, whether due to negligence or not, for which, or for the consequence of which, the carrier is not responsible, by statute, contract, or otherwise, the goods, shippers, the consignees, or owners of the goods shall contribute with the carrier in general average to the payment of any sacrifices, losses, or expenses of a general average nature that may be made or incurred, and shall pay salvage and special charges incurred in respect of the goods. If a salving ship is owned or operated by the carrier, salvage shall be paid for as fully and in the same manner as if such salving ship or ships belonged to strangers.

22. Without waiver or limitation of any exemption from or limitation of liability afforded by law or by this bill of lading, neither the carrier nor any corporation owned by, subsidiary to, or associated or affiliated with the carrier shall be liable for any loss or damage wheresoever and whensoever occurring by reason of any fire whatsoever, including that occurring before loading on or after discharge from the ship, unless such fire shall have been caused by the design or neglect or by the actual fault or privity of the carrier or of such corporation, respectively. In any situation where such exemption from liability may not be permitted by law neither the carrier nor such corporation shall be liable for any loss or damage by fire unless caused by negligence, including that imputed by law, for which the carrier or such corporation is liable, respectively.

23. In the event of any loss, damage or delay to or in connection with goods exceeding in actual value $500 per package lawful money of the United States, or in case of goods not shipped in packages, per customary freight unit, the value of the goods shall be deemed to be $500 per package or per customary freight unit, as the case may be, and the carrier's liability, if any, shall be determined on the basis of a value of $500 per package or per customary freight unit, unless the nature and a higher value shall be declared by the shipper in writing before shipment and inserted in this bill of lading.

In the event a higher value is declared by the shipper in writing and inserted in this bill of lading and extra freight paid thereon if required, the carrier's liability, if any, for loss, damage or delay to or in connection with the goods shall be determined on the basis of such declared value and pro rata of such declared value in the case of partial loss or damage, provided such declared value does not exceed the actual value of the goods.

With respect to goods having an actual value of less than $500 per package or in the case of goods not shipped in packages, per customary freight unit, it is agreed that unless the actual value is declared by the shipper and inserted in the bill of lading, the carrier's liability is limited to and shall not exceed the invoice value of the goods.

It is understood that the meaning of the word "package" includes pieces and all articles of any description except goods shipped in bulk.

In no event shall the carrier be liable for more than the loss or damage actually sustained. The carrier shall not be liable for any consequential or special damage and shall have the option of replacing any lost goods and of replacing or repairing any damaged goods.

24. Unless notice of loss or damage and the general nature of such loss or damage be given in writing to the carrier or his agent at the port of discharge before or at the time of the removal of the goods into the custody of the person entitled to delivery thereof under the contract of carriage, such removal shall be prima facie evidence of the delivery by the carrier of the goods as described in the bill of lading. If the loss or damage is not apparent the notice must be given within three days of the delivery.

Any claim against the carrier for any loss or damage must be given to the carrier in writing within 30 days after the date when the goods are or should have been delivered to enable the carrier to make investigation of the circumstances in connection with the alleged claim. If such written claim is not given, the carrier shall be considered prejudiced thereby and the claim shall be considered waived and barred and the waiver may be pleaded in and constitute a defense to any suit that may be brought thereafter against the carrier on said claim.

In any event, the carrier and the ship shall be discharged from all liability for any loss, damage, or delay unless suit is brought within one year after delivery of the goods or the date when the goods should have been delivered. Suit shall not be deemed brought against the carrier or ship until jurisdiction shall have been obtained of the carrier or the ship or both if brought in admiralty until written notice of the filing of a libel shall have been delivered to the carrier.

25. All agreements or freight engagements for the shipment of the goods are superseded by this bill of lading. If required by the carrier, a signed original bill of lading, duly endorsed, must be surrendered to the carrier on delivery of the goods.

It is agreed that the receipt, custody, carriage and delivery of the goods are subject to the terms appearing on the face and back of this bill of lading, whether printed, typed, stamped or written, which shall govern the relations, whatsoever they may be, between shipper, consignee and the carrier, master and ship in every contingency, whereso-ever and whensoever occurring and whether the carrier be acting as such or as bailee, and also in the event of, or during deviation, or of unseaworthiness of the ship at the time of loading or inception of the voyage or subsequently. The terms of this bill of lading shall not be deemed waived by the carrier unless by an express written waiver, signed by a duly authorized agent of the carrier.

2. The carrier shall not be liable in any capacity whatsoever for any loss or damage occurring before the goods are loaded on or after they are discharged from the ship, arising or resulting from hostilities, or from acts of sabotage or of malicious persons, or from strikes, lockouts, stoppages or restraints or lack of labor or labor troubles from whatsoever cause, whether of employees of the carrier or others and whether partial or general, or whether existing or anticipated at the time of delivery of the goods to the carrier or any other time.

The carrier shall not be liable in any capacity whatsoever for any loss or damage occurring while the goods are not in the actual custody of the carrier.

This bill of lading if issued in a locality where there is in force a Carriage of Goods by Sea Act or ordinance or statute of a similar nature to the "International Convention for the Unification of certain Rules Relating to Bills of Lading," dated at Brussels, August, 1924, is subject to the provisions of such Act, ordinance or statute and rules thereto annexed which shall be deemed to be incorporated herein and nothing herein contained shall be deemed a surrender by the carrier of any of its rights, immunities or limitations, or an increase of any of its responsibilities or liabilities under said Act. If any term of this bill of lading shall be repugnant to the said Act to any extent, such term shall be void to that extent but no further. Provisions stated in said Act, ordinance, statute or rules shall govern before the goods are loaded and after they are discharged from the ship.

There shall not be any inference of negligence or unseaworthiness or lack of due diligence from the fact, nature or extent of loss or damage.

The terms of this bill of lading shall be separable, and if any part or term thereof is invalid or unenforceable, such circumstance shall not affect the validity or enforceability of any other part or term thereof.

3. The Carrier shall be entitled to all limitations of or exemptions from liability provided in or authorized by Sections 4281 to 4286, inclusive, and Section 4289 of the United States Revised Statutes and amendments thereto. The carrier shall also be entitled to all limitations of or exemptions from liability including those accorded to the owners or chartered owners of vessels or to carriers by any statute or rule of law for the time being in force in the United States or any other country or place whose laws shall be applicable hereto. This bill of lading shall not be deemed to be or give rise to a personal contract of the carrier. Nothing in this bill of lading, expressed or implied, shall be deemed to waive or operate to deprive the carrier of or lessen the benefits or rights of any such limitations or exemptions.

4. If the ship is not owned by or chartered by demise to the United States Lines Company, this bill of lading shall, with respect to the carriage, custody and care of the goods while aboard the ship or on her tackles, have effect solely as a contract between the shipper, consignee and the owner of the ship or demise charterer as the case may be as principal, made through the agency of said company which shall be under no liability whatsoever for loss or damage or with respect to such carriage, custody and care of the goods. If it shall be adjudged that the United States Lines Company is or may be liable as principal for such loss or damage or with respect to such carriage, custody and care of the goods, all rights, exemptions, immunities, limitations of and exonerations from liability provided by law or by the terms hereof, and all other terms of this bill of lading shall be available to it or such other person.

The shipper warrants he knows the name of the owner and/or demise charterer of the ship and waives any disclosure of the owner's or demise charterer's name.

5. The scope of the voyage contemplated is the carriage of cargo, passengers, mail, baggage and other property, or any of them, in the carrier's general cargo service or any other service which the carrier may or may not include all usual, scheduled, geographic, direct, customary, ordinary or advertised routes, ports or places, whether named in this bill of lading or not, and other routes, ports, places or procedures referred to below.

As often as and for any reason whatsoever the carrier or master may deem advisable, including but not limited to the loading or discharge of cargo, mail, baggage or other property whatsoever, or the embarking or landing of passengers, crew, mail or baggage, or persons whatsoever, or the fueling, supplying or repair of the ship or the care or safety of ship, cargo or persons, regardless of whether such reason or action relates to the current or a prior, intermediate, subsequent or overlapping voyage, or to matters occurring, known or anticipated before or after receipt of loading of the goods, and whether or not the voyage or any part thereof be commenced, or at any stage of the voyage and without notice to shipper or consignee : (a) may proceed under any conditions of sea and weather, return to the loading port, depart from or change the intended route and proceed in any direction by any other route or routes whatsoever, whether expressed or known to or not at all anticipated by the carrier; (b) may suffer delay at any ports or places whatsoever in any rotation, sequence or order, backward or forward or otherwise, return to port of discharge, or omit calling at any ports or places, regardless of whether such routes, ports or places or any of them may be within or in a direction contrary to or outside of or beyond the advertised, scheduled, geographic, direct, customary, usual or ordinary route or itinerary; and (b) may also, at any time or place whatsoever, with or without the goods aboard, proceed to or enter any dock, pier, gridiron, repair yard, shipbuilder's or ship's repair premises, dock or place of refuge, or go to sea for trial trips, dock or undock, yard, shift berths or places in port, remain in port, lie on bottom or aground in berth, make trial trips or tests, take fuel or stores at any place, lie at anchor or moorings, sail in or out of ports or elsewhere without pilots whether or not pilots are compulsory or customary and available, proceed under tow, put cargo, goods in any situation, erase or alter marks on packages, carry goods on deck or under deck whether the property be that of the carrier or others, including the liberty to depart from her course to any extent for any of such purposes. The provisions of this clause are not restricted by any words in this bill of lading, whether printed, stamped, printed or incorporated herein.

6. In any situation whatsoever and wheresoever occurring and whether existing or anticipated before the commencement of or during the voyage, which in the judgment of the carrier or the master is likely to give rise to risk of capture, seizure, arrest, detention, injury, damage, delay, delay due to strikes, labor disturbances or any other cause whatsoever, danger or difficulty in loading or discharging the goods, the ship or any part of her cargo or any of her passengers or other persons on board, or to make it unsafe, imprudent, inadvisable or unlawful for any reason to receive, keep or load the goods or commence or proceed on or continue the voyage or to enter or discharge or disembark the goods or passengers at the port of discharge, or any part thereof, or difficulty in loading, discharging or disembarking at or leaving the port of discharge or the usual, agreed, or intended place of discharge or debarkation in such port, the carrier or the master, before, during or after receipt or loading of the goods or before the commencement of the voyage, may decline to receive, keep or load or may discharge the goods or any part thereof, may require the shipper or other person entitled thereto to take delivery of the goods at port of shipment or elsewhere and if he fails to do so, may warehouse or otherwise store or hold the goods, or any part thereof, at the risk and expense of the goods; and (c) may, if the carrier or master, whether at the ship's port of loading or entering or attempting to enter the port of discharge or reaching or attempting to reach the usual, agreed or intended place of discharge therein or attempting to discharge the goods there, may discharge the goods into depot, lazaretto, craft or other place : or the ship may proceed or return, directly or indirectly, to or stop at any port or place, and discharge the goods, or any part thereof, at any such port or place into craft, or into or on any other place, whatsoever ; or the carrier or the master may retain the goods, or any part thereof, on board until such time as the carrier or the master deems advisable and discharge the goods, or any part thereof, into craft or into or on any other place whatsoever at port of shipment or elsewhere ; or the carrier or the master may, at port of shipment or elsewhere, substitute another vessel or may transship or forward the goods or any part thereof, by any means, but always at the risk and expense of the goods. Any measures, or action, authorized by this clause may be taken without notice to the shipper or consignee. Whenever the goods are discharged from the ship or are warehoused, stored, or held ashore, as herein provided, they shall be at their risk and expense. Such discharge or other procedure as the case may be, shall fully perform the obligations of the carrier in the goods and performance of this contract by the carrier who shall be free of further responsibility. Any measures or action with respect to the goods taken hereafter by the carrier or master, shall be considered as taken by and for the account of the shipper and consignee and at their risk and expense but without prejudice to any lien of the carrier. For any service rendered as herein provided, the carrier shall be entitled to extra compensation and if in following the measures or action authorized herein, the length or duration of the voyage is increased, the shipper and consignee shall pay proportionate additional freight.

7. The carrier, master and ship shall have liberty to comply with any orders, directions, regulations, recommendations, authorizations, requirements, requests or suggestions, including any such which may be given or effected pursuant to or by reason of any agreement or undertaking exacted from or considered necessary by the carrier or master, as to parties, allocations, receipt, handling, loading, embarkation, stowage, manning, equipment, supplying, repairs, stoppages, delays, movements, anchorages, sailing, operation, management, navigation, courses, route, voyages, arrivals, ports of call, discharge, destination, examinations, loading, delivery, drydocking, refitment, transshipment, disposition, or other act or omission whatsoever, whether or not relating to the ship, the goods, other cargo or to passengers, crew, or other persons aboard, howsoever, whensoever and wheresoever given at the port of loading or elsewhere, by the government of any nation or department, province or port authority, or any committee or person having, purporting, appearing or seeming to have, under the terms of the war risk insurance on the ship, the power to give any such order, direction, requirement or recommendation or to approve the voyage or to the foregoing likely constitute delivery and be a fulfilment of the contract of carriage by the carrier, who shall not be under any further obligation thereunder, and the goods shall thereafter be solely at their own risk and expense. All expenses or charges incurred by the carrier in connection with such compliance shall be payable by the shipper and consignee and if in following the measure or action authorized herein, the length or duration of the voyage is increased, the shipper and consignee shall pay proportionate additional freight.

The ship may carry contraband, explosives, munitions, warlike stores, hazardous cargo, and may sail armed or unarmed, with or without convoy, and with or without lights.

8. The carrier or master, in its or his discretion, at any time and place, whether or not the reason for its or his action or inaction was known at time of receipt of the goods, once or oftener and without notice to shipper or consignee : (a) may substitute another ship, whether owned, operated or chartered by the carrier or others, or of a different flag, or of a different type or speed, or whether before, during or after loading the goods or any part thereof, and whether the substituted ship arrives or departs or is scheduled to do so before or after the ship named herein ; (b) may, in case of goods or any part thereof which are shut out, not accepted or refused on the loading or the ship is or is likely to be delayed, have the ship proceed without the goods or a part thereof and the goods may be forwarded in whole or in part by any means to or toward the port of discharge at the risk and expense of the goods ; (c) may, if the goods, whether stowed, or any part of them, are damaged or lost or in danger of damage or loss or becoming worthless or subject to charges disproportionate to their value, or have suffered damage or because of the condition of the goods or for any other reason deemed sufficient, take any measures to store, preserve, recondition or possession of, sell, mortgage, or otherwise deal with or dispose of the goods or any part of them, or forward the goods or any part of them by subsequent vessel or any means to or toward port of discharge, and all such measures, procedures or acts shall be at the risk and expense of those goods : (d) may, in case of lack of discharging facilities or a failure to find or identify the goods at the port of discharge or elsewhere, carry the whole or any part of the goods beyond the port of discharge and return the goods in the ship, or forward the goods in whole or in part to the port of discharge by any means, at the risk and expense of the goods ; and (e) may, if there shall be a forced interruption, abandonment or frustration of the voyage at the port of loading or elsewhere or because of the need of repair to the ship or of the inability of the ship to promptly prosecute the voyage at the port of loading or elsewhere, substitute another vessel or may forward the goods or any part thereof by any means at the risk and expense of the goods.

The carrier is not required to, and does not undertake to, deliver the goods at port of discharge or elsewhere at any particular time or to meet any market or in time for any particular sale or use and does not undertake that the ship or substitute ship will sail or arrive at any stated or scheduled time. The carrier shall not be liable for any loss or damage arising or resulting from delayed or early arrival of the goods or any damage or expense incurred by the shipper or consignee because of any change in date of time of sailing or arriving.

Any under or over carriage shall not be considered a deviation, nor shall it vitiate any of the terms of this bill of lading. All forwarding shall be in accordance with and in the manner permitted by the terms of this bill of lading, including clause 14 hereof.

9. The shipper, whether principal or agent : (a) represents and warrants that the goods are properly marked, secured and packed in adequate containers and may be handled in ordinary course without damage to the goods, ship, other property or persons ; (b) guarantees the correctness of the particulars and description of the goods and agrees to ascertain and to disclose in writing on shipping instruction, any condition, character or characteristic of the goods of, or which might indicate they are of, an inflammable, explosive, noxious, hazardous or dangerous nature, or any condition, character or characteristic that may cause damage, injury or nuisance to the goods, other property, the ship or to persons, and the shipper agrees to be liable for, fully indemnify the carrier and hold it harmless in respect of any injury or death of any person, loss or damage to cargo or property, judgment, fine, claim, legal expense, or any other loss, damage, detriment, charge or expense whatsoever arising or resulting in whole or in part from the shipper's failure to do so or to comply with his agreements, guarantees and undertakings as aforesaid ; and (c) agrees to declare in writing, on shipment, the true gross weight of each piece or package, exceeding two long tons in weight, and to clearly and durably place in letters and numbers at least two inches high on the outside of each piece of package, such weight, together with the name of the port of discharge and the marks necessary to identify the goods.

If at any time the goods, whether ashore or afloat, are, in the judgment of the carrier or master or of the health or other authorities of any place, pending, decayed, injurious, offensive, unfit for further carriage or storage, or dangerous to health or other property, or if the goods are condemned or ordered destroyed by any such authorities, the goods may, forthwith and without notice, be thrown overboard, destroyed, discharged, stored, put ashore at any place, or sold by lighters or craft or otherwise disposed of by the carrier, master or others, solely at the risk and expense of the goods, and the carrier shall not be liable for any loss or damage whatsoever.

Any goods that are in fact or may be considered by any civil or military authorities or the master, inflammable, explosive, noxious, hazardous or dangerous, shipped without such full disclosure, or if shipped with the knowledge and consent of the carrier or master as to their nature and character, shall become a danger to the ship and those aboard, the goods or other property, or any part thereof, may at any time or place be landed, thrown overboard, destroyed or rendered innocuous without compensation to the shipper, consignee or owner thereof, and extra charges and expenses, if any, for discharging, lighterage, handling, caring for, disposing of or otherwise occasioned by such goods shall be borne by the goods. Goods or articles of such nature or character may be carried on deck, as well as any other goods whose nature or bulk requires them in the discretion of the carrier or master to be so carried, and the same shall be carried and discharged at the risk of the goods.

The particulars and description of the goods or packages appearing in this bill of lading are furnished by the shipper and are not conclusive on and do not constitute admission of or representations by the carrier of the correctness of marks, numbers, quantity, measurement, weight, gauge, contents, nature, condition, condition of containers, quality, value or declared value herein

Single pieces or packages exceeding 4480 lbs. in gross weight or which because of shape, size or condition cannot be handled with the ship's regular tackle, shall be liable to pay extra charges for loading, handling, transhipping or discharging.

10. Gold, silver, specie, bullion, or other valuables, including those named or described in Sec. 4281 of the Revised Statutes of the United States, will not be received by the carrier unless their true character and value is disclosed to the carrier and a special written agreement therefor has been made in advance and the goods are received under such case, be loaded or handled by the carrier unless shall be considered received by or delivered to the carrier until brought aboard the ship by the shipper and there put in the actual possession of, and a written receipt therefor is given by, the master or other officer in charge. Such valuables will only be delivered by the carrier aboard the ship on presentation of bills of lading properly endorsed, and upon such delivery on board, the carrier's responsibility shall cease. If delivery is not so taken promptly after the ship's arrival at the port of discharge, the goods may be retained aboard or landed or carried on, solely at the risk and expense of the goods.

11. Fruits, vegetables, meats and any other goods of a perishable nature may be carried in ordinary cargo compartments or on deck and without special facilities or attention, unless the carrier has made and inserted in this bill of lading a written agreement that such goods will be carried in a refrigerated, chilled, cooled, ventilated, insulated, heated, drained, dry, moist, or specially equipped compartment. The refrigerating, chilling or ventilating machinery and any other such special equipment shall be considered part of the machinery and appurtenances of the ship and the terms of this bill of lading shall be applicable hereto and to the goods carried in such compartment.

Unless a special agreement is made and inserted in this bill of lading, the carrier does not undertake and shall not be liable for failure (a) to give the goods, whether or not of a perishable nature, whether on deck, on shore, in storage, in craft, on board the ship or at any other time or place, any warmth or cooling, any kind of transshipment or forwarding, shall be considered only the forwarding agent of the general cargo, and the shipper represents and warrants the goods do not require it, or (b) to receive, keep, stow, carry, discharge or deliver the goods into or to any refrigerated, chilled, cooled, ventilated, insulated, heated, drained, dry, moist, or specially equipped place, compartment or other facility.

12. The ship is not equipped for the carriage of live animals, birds, reptiles and fish, and they are received, kept and carried solely at shipper's risk of accident, disease or mortality and without any warranty or undertaking whatsoever by the carrier that the ship is seaworthy, fitted, manned, equipped and supplied for the reception, carriage and preservation. In case of loss or damage, the carrier shall be entitled to all rights, immunities, exceptions and limitations provided in Sec. 4, subdivisions (2) (a) to (p) inclusive of the aforesaid U.S. Carriage of Goods by Sea Act and the corresponding provisions of any similar Act that may be applicable. In no event shall the carrier be liable for any loss or damage to such shipments arising or resulting from any cause whatsoever unless due to the fault or neglect of the carrier, and the carrier shall not be liable for fault or neglect in the navigation or management of the ship. Except as provided above and as may not be inconsistent with the above, such shipments shall be subject to all terms of this bill of lading.

13. The goods may be stowed in poop, forecastle, deckhouse, shelter deck, passenger space, storeroom, bunker space or any other covered-in space and when so stowed shall be deemed for all purposes, including General Average, to be stowed under deck.

In respect of goods carried on deck, and shifted from one to be so carried, all risk of loss or damage by perils inherent in or incident to such carriage shall be borne by the shipper and consignee, but in all other respects the custody and carriage of such goods shall be governed by the terms of this bill of lading and the carrier shall have the benefit of all the carrier's rights, immunities, exceptions and limitations contained in said Carriage of Goods by Sea Act, notwithstanding Sec. 1 (c) thereof, or the corresponding provision of any similar Act that may be applicable.

14. Whenever the port to which the goods are to be transhipped or on-carried stated in this bill of lading is a place other than the "port of discharge," or whenever the carrier or master, in the exercise of its or his discretion considers it advisable, and although transhipment or forwarding of the goods may not have been contemplated or provided for herein, the carrier or master may substitute another vessel or may tranship or forward the goods or any part thereof by any means at the risk and expense of the goods. The carrier or master may substitute, tranship or forward at any time or place whatsoever, whether before or after loading on the ship named herein and whether the substituted vessel or the means of transhipping or forwarding departs or arrives before the ship named herein does or is scheduled to do, and by means of transhipment or forwarding, shall be considered only the forwarding agent of the shipper or consignee and without any other responsibility whatsoever or for the cost thereof. The receipt, custody, carriage and delivery of the goods by any such person or on-carrier and all transhipping and forwarding shall be subject to all the terms whatsoever of such person's or on-carrier's form of bill of lading, freight note, contract or other shipping document then in use, whether or not such document is issued for the goods, and even though such terms may be less favourable to the shipper or consignee than the terms of this bill of lading and may contain more stringent rules or shorter time limit for notice of claim or commencement of suit and may validly exempt such person or on-carrier from all liability, including but not limited to liability for negligence, unseaworthiness, conversion or deviation. The shipper authorizes the carrier or master to procure such person or on-carrier that the lowest valuation of the goods or limitation of liability contained in the bill of lading or other shipping document of such person or on-carrier shall apply, even though different or lower than the valuation applicable under the terms of this bill of lading or to the carriage thereunder.

All responsibility of the carrier for the custody and carriage of the goods shall cease and the goods shall be deemed delivered by it under this bill of lading and this contract of carriage be deemed fully performed on actual or constructive delivery of the goods to any such person or on-carrier at port of discharge or at such other place as the case may be in case of an earlier substitution, transhipment or on-carriage.

The shipper and consignee shall be liable to this carrier for and shall indemnify it against all expense of forwarding and transhipping, including any increase in or additional freight or other charges whatsoever.

Pending or during forwarding or transhipping the carrier or master may store the goods ashore or afloat solely as agent of the shipper and at the risk and expense of the goods. This carrier shall not be liable in any capacity or under any circumstances whatsoever for any loss or damage occurring during such storage or while the goods have been discharged from the ship, ashore or afloat and not in the carrier's actual custody and this carrier shall not be responsible for the acts, neglect, delay or failure to act of anyone to whom the goods are entrusted or delivered for storage, handling, moving, transhipping or forwarding, or any service incidental thereto.

The provisions of this clause are not to be considered as restricting or restricted by any other terms of this bill of lading, but are in addition to any other right, exemption from or limitation of liability available to the carrier under this bill of lading.

15. The carrier or master, in the exercise of its or his discretion, may at any time, whether or not customary and without notice, lighter the goods or any part thereof, by its own craft or by that of others employed by the carrier at the risk and expense of the goods. In making arrangements for use of craft, the carrier or master shall be considered solely the agent of the shipper and consignee and without any responsibility whatsoever. The carrier shall not be liable for any loss or damage occurring to the goods while on such lighter or craft or in the custody of the lightermen who shall be considered independent contractors, including, but without limitation, responsibility for the choice of, condition, seaworthiness or manning of such lighter or craft.

If the carrier elects to lighter the goods at its own expense, all risk of loss or damage by perils inherent in or incident to such lightering shall be borne by the shipper and consignee, but in all other respects the custody and carriage of such goods shall be governed by the terms of this bill of lading and the carrier shall have the benefit of all the carrier's rights, immunities, exceptions and limitations contained in said Carriage of Goods by Sea Act, notwithstanding Sec. 1 (c) thereof, or the corresponding provision of any similar Act that may be applicable.

16. The port authorities are hereby authorized to grant a general order for discharging immediately on arrival of the ship and the carrier or master, without giving notice, and without regard to any difficulty in effecting delivery, may discharge the goods whether perishable or otherwise directly they come to hand at or upon any dock, wharf, craft or place that the carrier or master may select and continuously, Sundays and holidays included, at all such hours by day or by night as the carrier or master in its or his discretion may determine, regardless of the state of the weather or whether the port, berth, carrier or master having the right to appoint stevedores, masterporters or other agents, and the consignee shall receive and take delivery from ship's tackles or elsewhere as required by the carrier or master, whether the goods are discharged from the ship or not, and whether the consignee is present or not. The identity, condition, discharging, storage, elevators and all other facilities whatsoever in order to do so, all at the risk and expense of the goods and all responsibility of the carrier shall then terminate.

When possession of the goods is received or taken by the customs or other authorities or by the operator of any lighter, craft, dock, wharf, pier, store, warehouse, refrigerator, elevator or other facility, whether selected by the carrier, shipper or consignee, and whether public or private, such possession shall be considered solely as the agent of the consignee and delivery of the goods solely as agent of the consignee, at the risk and expense of the goods and subject to any lien of the carrier thereon.

If the consignee does not take possession and delivery of the goods as soon as the goods are at the disposal of the consignee for removal, the goods shall be at their own risk and expense and delivery shall be considered complete and the carrier may, subject to carrier's lien, send the goods to store, warehouse, put on lighters or other craft, put in possession of authorities, dump, permit to lie where landed or otherwise deal with or dispose of them, always at the risk and expense of the goods, and the shipper and consignee shall pay, be liable for, indemnify the carrier against and hold it harmless from all charges, loss, damage, fine, claim or expense whatsoever, including, but not by way of limitation, the cost of preserving, protecting, handling, selling, dumping or making whatever disposition of the goods the carrier or master, in its or his discretion, considers advisable, and all loss, damage and expense resulting from detention of the ship or her cargo that may be incurred or suffered by the carrier by reason of the consignee's failure or delay in taking possession and delivery as provided herein.

The carrier shall not be required to give any notification whatsoever of arrival, discharge or any disposition of or action taken with respect to the goods, any custom or practice of the carrier or others to the contrary notwithstanding and though the goods are consigned to order with provision for notice to a named person and the carrier shall not be under any responsibility for not giving any such notice.

17. The carrier shall not be liable for delay in or failure of delivery in accordance with marks or otherwise unless the goods shall have been marked as herein required and unless such marks shall be clearly legible at the port of discharge. Goods that cannot be identified as to marks or numbers, including goods not properly marked on their containers or packages, cargo weighed, measured and any unclaimed goods not otherwise accounted for shall, for the purpose of completing delivery, be allocated to the various consignees of cargo of substantially or generally the same description in proportion to the number of packages, loss of weight or damage, and shall be accepted in good delivery. Loss of or damage to goods in bulk stowed without separation from other cargo in bulk of substantially or generally like character shipped by the shipper or by others shall be allocated and accepted in proportion among the several shipments.

Liquid cargo in bulk shall be pumped aboard by shipper as fast as the ship can receive at shipper's risk and expense so far as the ship's connection and shall be received at port of discharge at ship's connection as soon and so fast as carrier is prepared to deliver.

18. The shipper and consignee shall be liable for, indemnify the carrier and ship and hold them harmless against, and the carrier shall have a lien on the goods for all expenses of, or charges for handling, stowage, stoppage, lighterage, trimming, repairing or reconditioning the goods or their containers, and all other expenses incidental to or incurred in protecting, caring for or otherwise made for the benefit of the goods, whether the goods be damaged or not ; also for any penalty, fine, dues, duty, tax or impost, loss, damage, detention, demurrage, or liability of whatsoever nature, howsoever and wheresoever sustained or incurred by reason of or resulting from the carrier or the ship in connection with the goods or by reason of the goods being or having been on board, or because of shipper's failure to prepare correctly and sufficiently or to comply with all laws, regulations and requirements of any nations or any shipper's failure to supply information or otherwise to comply with all laws, regulations and requirements of law in connection with the goods or from any other act or omission of the shipper or consignee or their agents or servants, and all damages, charges, legal fees, expenses or disbursements which the carrier may suffer, incur or pay in connection with or arising out of claims to or attachment, seizure of or execution against the goods or claims or legal proceedings of any description by third parties involving the goods and any proceedings by way of interpleader or otherwise which the carrier may be obliged to attend to, and the shipper and consignee shall pay the carrier a sum for any expenses of or charges for regaining or attempting to regain possession of the goods. The shipper authorizes the carrier to pay and/or incur all such charges, expenses and other matters mentioned above and the carrier or master may solely as agent for the shipper engage other persons to mend, cooper, bale, repair or recondition packages or goods, regain or seek to regain possession of the goods and to do all things deemed advisable for the benefit of the goods.

19. Freight shall be payable, at carrier's option, on gross intake or discharged weight or measurement or on an ad valorem or other basis. Freight may be calculated on the basis of any particulars concerning the goods furnished by the shipper, but the carrier may at any time weigh, measure and value the goods, and open packages to examine contents. If shipper's particulars are found to be erroneous and additional freight is payable, the shipper and consignee shall be liable for any expenses incurred in examining, weighing, measuring and valuing the goods.

Full freight to the port of discharge named herein and all advance charges against the goods shall be considered completely earned on receipt of the goods by the carrier at loading port and all freight and charges shall be payable and to be collected at destination or subsequently, and the carrier shall be entitled absolutely to all freight and charges, whether actually paid or not, and to receive and retain them under all circumstances whatsoever whether ship and/or cargo lost or not lost, or the voyage changed, broken up, frustrated or abandoned. Full freight shall be paid although the goods may be damaged, unsound or worthless or if packages be empty or partly empty. Any error in freight or other charges is subject to correction and if on correction the freight or charges are higher the carrier may collect the additional amount.

All charges or sums payable to the carrier are due when incurred and such charges, sums and all freight shall be paid in full without any offset, counterclaim or deduction, and such payment shall be in United States currency or, at carrier's option, in its equivalent in the currency of the port of loading or of the port of discharge, at the prevailing rate of New York exchange as quoted on the day of the ship's entry at the Custom House of her port of discharge.

The carrier shall have a lien on the goods, which shall survive delivery, for all freight, charges or other amount due hereunder and may enforce this lien by all available means, including public or private sale and without notice to shipper or consignee. The goods and any other property belonging to the shipper or consignee which may be in the carrier's possession may be sold, at one or more sales, after deducting all costs and expenses of the carrier in executing the lien, shall be applied towards the settlement of the freight, charges and any other amount due the carrier and the carrier shall not be under any further obligation in respect thereof except to account for the balance, if any, of such proceeds.

The shipper and consignee shall be jointly and severally liable to the carrier for the payment of all freight, charges and other amounts due the carrier and for any failure of either or both to perform their obligations under the terms of this bill of lading and to indemnify the carrier against and hold it harmless from all liability, loss, damage and expense which the carrier may sustain or incur arising or resulting from any such failure of performance by the shipper and consignee or either or them.

Lieber Curt !

Herzlichen Dank für Deine Briefe. Das Barlach-Portrait geht an Dich ab.

Ein trauernder sitzender Jüngling (beide Arme auf die Kniee gestützt, aus den Jahren 1917/18) von Lehmbruck steht als Ehrenmal auf dem Ehrenfriedhof der Stadt Duisburg. Das heisst, z.Zt. ist er vor den Metalldieben im Duisburger Museum sichergestellt. Ich nehme an, dass es sich um die Plastik handelt die Du meinst, das Material ist Bronze. Eine eventuelle Anfrage müsstet Ihr an die Verwaltung der Stadt Duisburg, Hauptverwaltung, richten, da die Plastik ja an einen öffentlichen Platz gehört. Der Direktor des Museums ist der Kultur-Dezernent der Stadt, Dr. D'ham. Uebrigens soll Frau Lehmbruck ein Terracotta - Exemplar der gleichen Plastik besitzen.

Ich erhalte heute eine Anfrage nach der Anschrift von Archipenko in Amerika, von einer Dame, die schreibt, dass sie ihn zusammen mit ihrem Mann und Osthaus oft in seinem Pariser Atelier besucht hat. Sie möchte auch wissen, welchen Kurs er eingeschlagen hat. Kannst Dur mir da etwas mitteilen?

Lieber Curt !

Der Holzschnitt von Pankok, " Ernst Barlach ", kostet DM. 75.-.

Die Versendung von Kunstwerken ist jetzt anders als Du denkst. Ich könnte die " Leda" von Maillol nur bei einem Preis und mit einer Rechnung über Dollar 400.- übersenden, bin aber ebenso gerne bereit, von dem Geschäft zurückzutreten. Da ich bisher nichts mehr von Dir darüber hörte, hatte ich das beinahe angenommen. Eine Anzahlung hast Du nie gemacht.

Mit herzlichem Gruss

Dear Alex:

Thank you very much for your letter. The Maillol bronze does interest me, but it puzzles me that at the same time Mr. Rusche offers me the same bronze and tells me his cast is No. 7. Are these two casts the same? No. 7 was the one I bought from you and sold to the Museum of Modern Art. Let me know. I would like to see the bronze when I come to Dusseldorf.

Sincerely yours,

Mein lieber Curt, ich hoffe,dass es Dir in Amsterdam gut erging. Sei so gut und erschlage mich nicht mit der Leda;es würde mich schauerlich ärgern - denn ich kann nur zum 6.mal sagen,dass alles quitt war und mit ihr ein neues Leben beginnen soll.Mach also den Strich darüber,denn es steht ausser Zweifel,dass bei der Auff= stellung schwarzes rot oder umgekehrt war. Die Zigeuner-Mappe von Otto Mueller ist leider nicht mehr zu haben. Ich suche sie selber seit langem.

Ich habe noch nichts von " Leda " von Dir gehört. Übrigens fiel mir ein, dass die Versandspesen auf Deinem Auszug nicht gutgeschrieben waren, so ging z.B. vom dem Nutzen des Léger 50 % allein für Exportspesen, der Rest für Steuer weg. Es hatte schon seine Richtigkeit, dass das Konto glattgestellt ist und ich bitte Dich um entsprechende Nachricht.

Ich war einige Tage in Hamburg und Berlin und komme deshalb erst heute auf Deine Anfrage betreffs M a t i s s e - Bronze zurück. Unter DM. 7ooo.- kann ich Dir die Bronze leider nicht anbieten. Du kennst die näheren Umstände und weisst, wem sie gehört.

Was ich Dir aber dringend zum Ankauf empfehlen möchte, ist die " Stehende Löwin " von August G a u l , von der Dir Gerhard Marcks gesprochen hat. Die Bronze, von der nur ein Exemplar existieren soll, ist der 4o cm. hohe und 63 cm. lange Entwurf für die lebensgrosse Figur. Ich habe jetzt eine Photo und bin auf den Preis von DM. 165o.- gekommen. Da dem Besitzer der Verkauf dringend ist, bitte ich Dich, mir zu drahten ob Du einverstanden bist. Die Photo geht separat an Dich ab.

Lieber Curt, vielen Dank für den Schaltjahrbrief.

Es stimmt,dass der Besitzer 6500- für die Bronze verlangt, wie ich Dir im Dezember schrieb und im Januar hast Du den Brief hier selbst gelesen. Aber 500,das sind keine 10% betragen die allgemeinen Spesen,Steuer,Ausfuhr etc. bei einem solchen Geschäft. Du wirst anders kalkulieren,mit Recht.

Jn Berlin habe ich festgestellt,dass der grosse Löw ein Nachguss und die kleine Löwin,von der Gerhard Marcks sprach,viel schöner und eine alte Löwin ist.

Kunststück,von Moeller zu kaufen.Er hat die Museumsbilder,die als entartet beschlagnahmt waren, an seinen Busen gezogen . Mir ist wohler,wenn ich meine Bilder reell bezahle.

Mit herzlichem Gruss

Dear Alex:

I am returning the Schwitters autograph and the collage. If I really marked the photograph of this one and the two others, I meant that I would pay $50 for each if I could get all three of them. They were not for me but for a friend of mine. This example alone is of no use to me. I hope you understand this.

Will you be in Dusseldorf between Christmas and New Year's or shortly after New Year's because I intend being there.

I am looking for:

Paintings by Feininger
Sculpture by Lehmbruck
Paintings, watercolors and drawings by Klee
Anything by Picasso, Braque, Gris and Leger

Lieber Curt,

ich danke Dir für den Hinweis auf die Hamburger Bilder, von denen mir Otte bereits geschrieben hatte; leider war der Nauen bereits verkauft .

Edwin übersandte mir Dein liebenswürdiges Schreiben v.11.November. Du lässt ihn wissen, dass Du den Schwitters nicht haben möchtest. Aber hier liegt Dein Brief v.17.September :

" I am returning the schwitters photographs. I am interested in only three, which I have marked with red pencil in the back; however, I would not pay more than $ 50 each. "

Trotzdem das Convolut beim Eintreffen Deines Briefes anderweitig zugesagt war, habe ich dieses Blatt, das Du besonders bezeichnet hast (die Photocopie liegt ebenfalls hier) noch herausnehmen können und Du hast es zugeschickt bekommen . Bitte sende also dem Jungen den Betrag , mit dem er rechnen muss. - Solltest Du keinen Durchschlag von Deinem Brief v. 17.September haben, so will ich Dirhier gern eine Copie machen lassen.

Vielen Dank für Deine Briefe vom 9. und lo. September. Den " Nijinsky" von Kolbe habe ich in die Luzerner Ausstellung geliehen. Er ist dort unter Katalog - Nr. 364 aufgeführt und stammt aus dem Jahre 1912, er misst 64 cm. Ich würde Dir die Bronze zum Preise von DM. 3500.- netto überlassen können. Bis zu Deiner Antwort werde ich die Plastik für Dich reservieren.

Den gewünschten Zettel für David Thompson füge ich bei.

Ausserdem möchte ich Dir Folgendes mitteilen: Der grosse " Geistkämpfer " von Ernst Barlach, Höhe (ohne Sockel und Schwert) 3.7o m., Breite 2.lo, Tiefe o.7o m (das Schwert ragt um etwa 8o - loo cm. über den Kopf hinaus) soll in einem Zweitguss zur Finanzierung des Barlach- Hauses in Ratzeburg hergestellt werden. Glaubst Du, dass es möglich wäre, in Amerika ein Museum bei einem Preise von US-Dollar lo.ooo, - dafür zu interessieren oder eine Universität oder dergleichen? Vielleicht überlegst Du Dir das einmal. - Unter Umständen käme auch ein Zweitguss der Lübecker Figuren in Klinker in Frage und zwar aller drei Figuren, die Dir ja bekannt sind. Der Preis wäre derselbe.

Vielen Dank für Deinen Brief vom 17. September. Die 6 Marini - Lithos erwarte ich gerne. Es wäre schön, wenn Du wegen des grossen " Geistkämpfers " von Barlach etwas machen könntest undzwar durch mich über die Barlach-Gesellschaft. Die Ausstellung in Luzern, in der sich der " Nijinsky " von Kolbe befindet. dauert bis 2. Oktober. +

Anbei erhälst Du die gewünschte Rechnung in doppelter Ausfertigung. Genügt es so oder benötigst Du auch das Formular Nr. 253 über die Authentizität in diesem Falle? Eine Konsulatsfaktur ist ja unter $ 100 nicht erforderlich. Willst Du den Betrag überweisen? 2

Mit herzlichen Grüssen
Dank

2.) * Gib mir bald Bescheid darüber,da verschiedene Besucher der Luzerner Ausstellung danach fragten.Die Bronze ist keine Nachkriegslieferung des Kolbe-Museums-der Vorbesitzer erwarb sie während des Krieges und ich bekam sie vor Jahren im Tausch,da die Geste des Tänzers ihm "zu weibisch" sei.....

I was able to sell the Kokoschka right away so I though it better to sell it now rather than hold the picture and try to sell it for a very high price.

The picture was sold for $3700. I charged your account with about $50 for shipping, insurance and other expenses; therefore, I owe you half of $3650 or ~~$1825~~. 1825

What would you like me to do with the money? Of course, for the time being, the picture has not be paid for.

Mein lieber Curt, wir kamen gestern Abend aus Paris zurück, wo wir einige nutzbringende Tage bei schönstem Herbstwetter verlebten. Heini sah ausgezeichnet aus; er kommt in 3 Wochen nach hier.

Kolbe ist unterwegs von Luzern nach hier. Sobald die Bronze da ist, werden wir sie Dir exportieren. Vielen Dank auch für Kokonachricht; lass es zunächst dort.

Bei Deiner Durchreise Flughafen-Breidenbacher-Flughafen nahmst Du mit : Nolde-Aqu. 700 DM —
und wir sandten Dir: Daumier-Bronze 350 " —
hinzu kommt nun: 1/2 Koko-Erlös. 7665 " = 1850
und später : Kolbe-Bronze 3500 "

Die Marino-Blätter sind noch nicht gekommen, auch noch nicht der Gegenwert des exportierten Daumier, dessen Erlös wir Dir gleich nach Eingang avisieren und gutschreiben werden.

Wegen des Geistkämpfer bekommst Du Nachricht. Ich habe sogleich an die Barlach-Gesellschaft geschrieben. Noack darf keine Angebote machen und auch nicht verkaufen; wenn die Barlach-Gesellschaft davon erführe, gäbe es den grössten Krach und man würde alle Beziehungen zu ihm abbrechen und einen anderen Giesser beauftragen. Dies zu Deiner Unterrichtung. Schreib ihm diese Auskunft aber bitte nicht.

Herzlichste Grüsse und die allerschönsten Wünsche zu Deinem Geburtstag

Besten Dank für die Uebersendung Deines Schecks über $ 84.-. $ 50.- verwandte ich wie gewünscht zum Ausgleich meiner Sendung Daumier vom 22. August und $ 34.- für das Aquarell von Schoff, das ich Dir zugehen lasse.

Mit Deinem Vorschlag betr. Nolde bin ich einverstanden.

Es besteht im Augenblick die Möglichkeit, Kunstwerke aus USA nach Deutschland zu importieren. Hättest Du deutsche expressionistische Dinge, welche vielleicht für mich in Frage kämen und die Du dort nicht verwenden kannst. Ich muss bis Anfang November den Dollar- Betrag anmelden, für den ich zu importieren wünsche.

Dear Alex:

Many thanks for sending me the photograph of the painting by Kandinsky which seems to be very interesting. I think it would be possible to sell the painting for between $4000 and $5000 but not to buy it. Please keep the picture in mind, and maybe I can see it when I come to Dusseldorf.

I shall let you know about the Ketterer sale as soon as I receive the catalog.

Enclosed is a letter from a Mrs. Walker. Would you ask her to send you the watercolor on approval. If you think it is all right, I shall pay $100 for it.

Sincerely yours,

CV:JW

Lieber Curt !

Der " Nijinsky " ist nun glücklich vorgestern abgeschickt worden und zwar auf Grund einer neuen Verfügung " Kasse gegen Dokumente ".

Soeben kommt Dein Brief vom 26. Oktober an. Du hattest neulich gesagt, Du wolltest die Plastik für DM. 7.000,- kaufen, für DM. 6.000.- ist sie nicht zu haben. Ich könnte mir denken, dass diese eindrucksvolle Figur -ähnlich wie in Kiel- an einer Universität oder in der Eingangshalle eines Museums wirksam aufgestellt werden könnte. Bitte gib mir Bescheid, ob die Sache bei DM. 7.000,- in Ordnung geht.

Mit herzlichen Grüssen

Dein Alex

Dear Alex:

Thank you very much for your letter of October twenty-ninth. I am glad the "Nijinsky" is coming. What does it mean "Kasse gegen Dokumente"? It seems I have forgotten my German! So let me know and send me a bill for the "Nijinsky".

I do not know when I said I would pay 7000 DM for the Barlach. I did say that Noack offered it to me for 7000. I am very uncertain whether this piece would sell here, so if you want to meet me half-way, I shall pay $1500 but I cannot pay more.

Das mit dem Rodin- Aquarell war nichts. Sowohl Boerner als ich sind der Auffassung, dass man die Finger davon lassen soll. Abgesehen davon war es garnicht schön in der Darstellung. Ich habe es wieder zurückgeschickt.

Hättest Du Interesse für den stehenden Sängerknaben von Ernst Barlach (Singender Klosterschüler 1932, Modell zu der Figur an der Katharinenkirche in Lübeck) Höhe 52 cm., Breite 13 cm. Tiefe 10 cm. Preis DM. 1.200,- ?

Die Formalitäten für die Versendung des Kolbe waren derart zeitraubend, dass die Sendung erst am 5.ds. in Hamburg abgehen konnte.

Mit herzlichem Gruss

Mein lieber Curt, es freut mich sehr, dass wir nun den Geisteskämpfer bestellen konnten. Jch werde Dich informieren und Dir die Rechnung über $1500 senden, sobald es soweit ist.

"Kasse gegen Dokumente" heisst so ähnlich wie Nachnahme. Jch weiss auch nicht, warum das so gemacht werden soll, aber ich ver = stehe fast garkeine Bestimmungen. Jm Grunde ist es ja dasselbe .

Wie sind Deine Reisepläne ins Rheinland ?

Would you send me a photograph of the Sangerknabe by Barlach; it does interest me.

I am sorry to hear you will be away from Dusseldorf from December twenty-fourth to January sixth. I was planning to come the end of December, but I do not think I shall come if you are not in Dusseldorf. Where will you be?

I have a good friend in Rome--the painter Afro. His address is Via Margutta 94. He is a very nice man and a very good painter. Otherwise, I do not know many people in Rome.

Dear Alex:

Yesterday I sent a check for $833.33 to the Chase National Bank in payment for the bronze "Nijinsky" by Kolbe.

However for future reference, I shall not pay before I receive the piece. I had this fight before, and there is no reason why I should make payment this way. Payment before delivery is not customary here except in cases where the seller does not know the purchaser.

Dear Alex,

Thank you very much for your letter of September twenty-second. I am not quite certain how we arranged for the payment when I was in Dusseldorf. What do I owe you? The bill you sent for the watercolor by Nolde is sufficient; I do not need any other papers.

Since in your letter you state the fact that the "Nijinsky" by Kolbe was cast before 1947, I shall be glad to buy it for 3500 DM. If it can be shipped directly from Lucern, please advise the people in question to ship it addressed as follows:

W. R. Keating and Company
90 Broad Street
New York, New York
Attention: Curt Valentin

A Consular Invoice is necessary and the full value should be declared.

I am not very hopeful for the "Geistkampfers" by Barlach, but I shall think of it and in case something happens I will do it through you. I am interested in the small version of the "Geistkampfers" which Noack offered to me for 7000 DM. Do you think you can offer it to me for the same price.

Thank you very much for your letter of January twenty-seventh.

I contacted Mr. Gerson, but he did not seem to know how to manage. Meanwhile he has left for Europe, and I cannot do much more about it since I have been sick in bed for the last ten days and afraid I shall be for sometime to come.

Some time ago, Noack offered me some small bronzes by Barlach, of which I would like to buy a few but of course I would prefer buying them from you. What do you have to offer?

Lieber Curt !

Ich sende Dir die Photo eines "Coco"- Kopfes von Renoir. Die Bronze ist auf der Rückseite wie folgt beizeichnet und nummeriert:

Photo folgt später

Du könntest sie für DM. 4.25o.- bekommen.

Ausserdem kann ich Dir, wenn Du kommst, in einem wunderbaren alten Exemplar den Lehmbruck- Mädchenkopf Paris 1913/14 (rötlicher Steinguss) zeigen, bei Westheim Abb. 39.

Mit herzlichem Gruss

Dein Alex

Dear Alex,

Many thanks for your letter of March twentieth. "Coco's" head by Renoir interests me, but I have to know the number of the cast. I have a ~~bronze~~ cast of the Lehmbruck--not very good--but this head is difficult to sell anyway.

I am awfully sorry to hear that Mrs. Levy died. I saw her last summer, but I did have the impression she was very ill.

Do you think Lange's son might be interested in an offer of $5000 for the Klee "Geist bei Wein und Spiel"?

Sincerely yours,

GV:JW

Dear Alex,

Enclosed is another bill for a TOULOUSE-LAUTREC SKETCHBOOK. I assume you received the bill for four copies but since you said in your last post card that you sold five, you probably need an additional invoice for the one.

I am sorry you did not tell me earlier about your desire to exhibit my collection of drawings by Paul Klee. They are back in England and will be shown in Dublin and other places, but they have to be back in New York by September because I promised the collection to the Museum of Modern Art to be circulated throughout the U.S.

The two bronzes by Barlach apparently arrived at the Custom House--again per nachnahme. You know how much I hate it. We never receive shipments like this from any other source in Germany.

Lieber Curt !

Deinem Brief lag die Rechnung über das fünfte Toulouse-Lautrec-Buch nicht bei. Wir haben bereits die Bezahlung der vier beantragt, vielleicht verkaufen wir noch mehr. Schade, dass ich die Klee - Zeichnungen nicht haben kann. Wann wirst Du etwa kommen, weil ich Dich nicht verfehlen möchte?

Ketterer hat mir jetzt 3 % zugesagt. Ich hoffe, dass Dein Freund mir die restlichen 7 überweisen wird.

P.S. Das mit der Nachnahme ist nicht meine Schuld, sondern bei meiner Bank wird mir immer wieder gesagt, dass die Landeszentralbank diese Regelung verlange oder aber Vorauszahlung oder "Akkreditiv". Ich werde aber mit dem massgebenden Herren noch einmal darüber sprechen, dass ich in Zukunft eine Ausnahme machen kann.

Dear Alex,

Thank you very much for your two letters of May nineteenth and twenty-fourth.

My friend, who is now abroad, left with me a check for the amount of 45,425 DM which I am sending to Ketterer today. Perhaps my friend will agree to give you 10 per cent on the Braque since, as you say in your letter, another dealer gave you a limit of 20,500 DM; however I do not think it is customary to pay more than 5 per cent in addition to the 15 per cent Ketterer charges. Also I certainly think you should not charge more than 5 per cent on the price of the Monet.

I cannot reach my friend right now, so it will take some time before we hear. In any event, many thanks for your trouble.

Tell me exactly what your plans are for the summer because I am not planning to be in Dusseldorf before the beginning of July. I would like to stay a little longer than usual--see a few collections and see if we can do a little business.

Tell your bank that Dusseldorf is the only town from which I receive works of art payable in advance or on delivery.

Many thanks for your flattering compliments regarding my Rodin exhibition.

We are asking $1400 for the different versions of the Dancer. The exhibition has been packed and shipped and will open at the Minneapolis Institute of Arts on June fifteenth. However if you like the Dancer enough, I possibly could reserve this cast for you or maybe get another cast, which would cost around $1000.

Sehr geehrter Herr Abicht, -

ich erhielt Ihr Schreiben vom 26. August, dessen Inhalt mir nicht klar ist. Was der gute Curt da gebucht hat, scheint grösstenteils fiktiv gewesen zu sein. Unser Konto war vollständig ausgeglichen. Als wir uns vor seiner Abreise nach Italien, also kurz vor seinem Tode sahen, bat er mich, verschiedene Auslagen für ihn zu machen, für Photos, Bücher, Porti und dergleichen. Es waren im ganzen DM. 198, 75. Dieser Betrag steht noch offen. Alles Andere ist längst erledigt.

C.V received mostly "fictitious" and not clear to him

Mit freundlichen Grüssen
Ihr Vömel

Dear Mr Voemel:

We are trying to straighten out all open accounts. Your account ~~presumably~~ was even at the end of 1952. In 1953 and 1954 there were quite a few transactions but, it seems, we received from you only one statement showing a balance in your favor of DM 9327.56, which however does not include all the items shown by us for 1953. In March 1954 we paid Sf 14 075.58 to Bernoulli for your account. Can you tell us what items were covered by this payment? In July 1954 Mr Valentin also paid you $ 650.00 by dollar check, and you ~~received~~ received from Guenther Franke DM 1890 in August - we again do not know what items were covered. On the other side of the ledger (your credit) you paid for us to RUDIER in Paris ffrs 650 000 in January, and in July we received for your account $ 571.80 for commission due you from J. Seligman & Co, New York.

Of sales made by us to you are still open,
