Enclosed is a poster-leaflet designed by the well-known advertising artist Paul Rand and just issued by the Museum of Modern Art. The poster announces the exhibition of the House in the Museum Garden designed by the architect Marcel Breuer. It is intended for bulletin boards, show cases or other display places for which its 8½" x 11" size is suitable. The poster-leaflet may be obtained on written request to the Department of Architecture and Design, 11 W. 53 St., New York.

The Breuer house will remain on exhibition until October 30, 1949.
