FOR IMMEDIATE RELEASE

TOYS, GAMES AND ART will be discussed and demonstrated by Ralph E. Pickett on Friday, March 21, at 10:30 a.m. at the People's Art Center of the Museum of Modern Art, 21 West 53 Street. The meeting is one of the public sessions of the 10th Annual Conference of the Committee on Art Education, a national organization of art educators sponsored by the Museum. Mr. Pickett is Associate Dean of the School of Education, New York University.

Mr. Pickett will discuss the importance of color, form and texture in toys given to young children. Since few objects in later life receive as much attention and love as the young child's toys, Mr. Pickett will point out that their selection by parents and teachers should be made with full realization that toys will influence the child's future esthetic development.

Tickets at \$1.25 are available at the Museum.
