FOR IMMEDIATE RELEASE

ART FOR THE AMATEUR will be discussed by A.L.Chanin at a meeting at the Museum of Modern Art, 11 West 53 Street, on Saturday, March 23, at 2 p.m. Mr. Chanin, who is a teacher, painter and critic, will point out how the amateur can avoid being duped by people anxious to take advantage of his new interest in art, from those who try to sell inadequate art materials to those who try to sell works of pseudo-masters at cut-rate prices.

Color slides of works by modern artists will also be shown to illustrate how the amateur increases his understanding of the work of professional artists through his own creative efforts.

This is one of the public sessions of the 10th Annual Conference of the Committee on Art Education, a national organization of art educators sponsored by the Museum. Tickets are available at the Museum for \$1.25.
