Dear Sir,

We are interested in providing the press with news of the national and international activities of the Museum of Modern Art, insofar as we are able to do so. The Museum is constantly expanding its services to people living in all parts of the country. These services include traveling exhibitions, books, films and special out-of-town membership privileges.

Within the limits of our budget, we would like to send you material that is suitable for your use. Would you therefore fill out and return the enclosed questionnaire to guide us in mailing what you would like to receive.

Very sincerely,

Betty Chamberlain
