I hope you find the two enclosed Museum publications of interest. Mr. Kennan's address "International Exchange in the Arts," was delivered last year at a Symposium sponsored by the International Council of the Museum, and has been published now because it seems to us still pertinent and valuable.

"Painting and Sculpture Acquisitions from June 1, 1953 through June 30, 1955" is the fifth supplement to the comprehensive catalog, Painting and Sculpture in the Museum of Modern Art, which was published early in 1948.

Sincerely,

Elizabeth Shaw
