At the Museum of Modern Art, an exhibition illustrating the varied
program offered to visitors, will be on view at the East River Savings
Bank, Rockefeller Plaza at 50th Street, from July 26 through August 29.

The exhibition, 14 large photo-panels designed by Ivan Chermayeff,
tells the story of the Museum's art education program, film showings,
sculpture garden, and galleries of paintings, architecture and design,
and photographs. The display is planned to indicate the unique facilities
of the Museum of Modern Art to the thousands of New Yorkers and out-of-
town visitors who pass the Bank's windows. It is one of a continuing
series of public services offered by the Bank.
