STATEMENT BY AUGUST HECKSCHER, ADMINISTRATOR, PARKS,
RECREATION AND CULTURAL AFFAIRS ADMINISTRATION, CITY OF
NEW YORK, AT THE PREVIEW OF SUMMERGARDEN, MAY 10, 1971

What a joy to see this garden of delight opening
its gates again for the pleasure of New Yorkers on a summer
evening. These lovely pools reflect in one small urban
space all that we have tried to make our parks throughout
the city - a great setting for sculpture, for music,
for repose and for play.
