The Museum of Modern Art

To Photography editors, critics, writers
From Elizabeth Shaw
Date October 20, 1972
Re PHOTOGRAPHY: POINTS OF VIEW

If you would like press tickets to the series of lectures described in the enclosed release, would you call Jack Frizzelle at the Metropolitan Museum of Art, 879-5500. We'd both be delighted if you could come as we think this joint venture--the second part of the series will be at The Museum of Modern Art--will be of considerable interest.
