FOR RELEASE

The hour of the regular film showing at the Museum of Modern Art will be changed on Monday, July 28, from 4 P.M. to 2:30 P.M., when the program scheduled for that day, the Russian Film, 1909-17, will be shown. The change in hour is necessitated by a "review-preview" of Male and Female, co-starring Gloria Swanson and Thomas Meighan, which the Museum is holding for the press at four-thirty Monday, preceding a cocktail party the Film Library is giving in honor of Miss Swanson in the penthouse of the Museum at 6 P.M.

On Wednesday and Thursday, July 30 and 31, Male and Female will be shown at 4 P.M. as part of the Museum's current Cycle of 300 Films tracing the history and development of the motion picture from 1895 to 1940.
